COMMENTS:

Rule 59(e) of the Hawai'i Family Court Rules sets forth the requirements for motions to reconsider, alter or amend a judgment or order. At the time this rule was originally promulgated, the statute required that a motion for reconsideration be filed prior to taking an appeal in a Chapter 587 case. Subsequently, HRS § 571-54 was amended to eliminate this requirement. To be consistent with statutory amendments, this amendment would permit but not mandate the filing of a motion for reconsideration in Chapter 587 cases prior to appeal.

IT IS FURTHER ORDERED that Comments and Commentary are provided by the rules committees for interpretive assistance. The comments and commentary express the views of the committees and are not binding on the courts.

DATED: Honolulu, Hawai'i, March 25, 2008.
