(d) Secretary. The secretary shall be responsible for preparing and circulating to the trustees the minutes of each meeting of the trustees and for the preservation of the original records (other than financial records) of the trustees, including a separate file for each claim filed with the Fund.

(Amended September 15, 1994, effective September 15, 1994.)

Rule 4. ADMINISTRATION OF THE FUND.

The trustees may, in their discretion, retain the services of consultants, experts, or other persons, entities, or institutions to assist in the administration of the Fund.

Rule 5. PROCEEDING FOR PRESENTATION OF CLAIMS.

5.2. Investigation of Claims.

(a) The secretary shall cause a copy of the application to be personally served upon the alleged defalcating attorney or sent by certified mail to the attorney's last-known address as shown on the attorney's registration statement on file with HSBA.

(b) The trustees, or any one trustee, shall conduct or cause to be conducted an investigation of the claim, and a written report of the investigation shall be submitted to all of the trustees and shall become a part of the official records of the Fund.

(c) The trustees may, in their discretion, delegate the conduct of the investigation to persons who are non-trustees and may retain the services of consultants, experts, or other persons or entities to assist in the conduct of the investigation.

(d) The person conducting an investigation of a claim may seek subpoenas in the manner provided by Rule 10.6 of the Rules of the Supreme Court.

The trustees may, in their discretion, limit the scope of any such hearing, and the trustees shall not order any reimbursement from the Fund until after the requested hearing has been concluded.

(k) The trustees may ask a claimant or alleged defalcating attorney to submit supplemental information and may hold such conferences or hearings as the trustees deem appropriate or necessary.

(l) If the alleged defalcating attorney is a judgment debtor of the claimant, the trustees may, in their discretion, (i) accept the final judgment of record in the court proceedings concerning the attorney in lieu of an investigation, (ii) conduct or cause to be conducted an investigation limited to such matters as are set forth in Rule 10.3 of the Rules of the Supreme Court, or (iii) take such other action as the trustees deem appropriate.
