2.12.3 Scope of Work

The scope of work encompasses the following tasks and responsibilities:

A. Service Activities (Minimum and/or mandatory tasks and responsibilities)

Services are being requested for a Teen Court diversion program for first time Petty Misdemeanor, Misdemeanor, certain Traffic Offenses, and Status offenders.

Services will include but not be limited to Teen Jury participation, community service, monetary restitution, and assessment for substance abuse, anger management and high risk behaviors for referral to appropriate treatment.

Services should be reflective of the court's balanced and restorative justice philosophy. The goals of balanced and restorative justice are accountability, competency development and public safety. The needs and interests of the offender, victim and community should be considered as part of the program.

B. Management Requirements (Minimum and/or mandatory requirements)

1. Personnel

- a. The applicant shall possess and document knowledge, capacity, skills and experience in working with the targeted population.
- b. The applicant shall conduct a State and Federal fingerprint- based criminal history record check for any person, including, but not limited to any officer, employee, volunteer or subcontractor, who performs work or services which necessitates close proximity to or unsupervised access to vulnerable clients such as children, disabled, and/or the elderly , or other program related vulnerable clients . In addition, the applicant will conduct a search of the State and National Sex Offender Registries, <http://sexoffenders.ehawaii.gov> (State Sex Offender Registry) and the www.nsopr.gov (National Sex Offender Public Registry). The minimum record check will be conducted once every four years for each person, and/or at the outset of the contract period if such checks have never been conducted. Further, the applicant will ensure the continued suitability of any officer, employee, volunteer or subcontractor to work or provide services to vulnerable clients. Results of all criminal history record inquiries conducted shall be

placed in the employee's or volunteer's personnel file and shall be available to Judiciary for review. The applicant further shall have a written plan for addressing any findings that result from a criminal history record check that may affect the treatment milieu (e.g. actively under the supervision of any criminal justice agency, convicted sex offenders). Prior to commencing any work or services on the contract, the applicant shall ensure that any officer, employee, volunteer or subcontractor is suitable to be performing work or services in close proximity to or with unsupervised access to children, disabled, and/or elderly clients will be of reputable and responsible character and will not pose a risk to the health, safety, security, or well-being of clients, staff and the general public.

- c. The applicant shall have on the premises at least one person currently certified in First Aid and CPR.
- d. The staff and volunteers, if used by the applicant, shall be under the supervision of the program director or his or her designee and shall, accordingly, be trained in client confidentiality issues and program quality assurance requirements.
- e. The applicant must have sufficient and relevant training and staff development.

2. Administrative

The applicant shall establish and implement policies and procedures which clearly identify the target population for each type of service, the program content, and methods of service delivery.

3. Quality assurance and evaluation specifications

- a. The applicant shall have a quality assurance plan which identifies the mission of the organization, what services will be provided, how they are delivered, who is qualified to deliver the services, who is eligible to receive the services, and what standards are used to assess or evaluate the quality and utilization of services.
- b. Program evaluation should reflect the documentation of the achievement of the stated goals, using tools and measurements consistent with the professional standards of the disciplines involved in the delivery of services.

4. Output and performance/outcome measurements

- a. Output: The applicant shall record unduplicated clients served. The unduplicated client count shall be recorded in the applicant's

quarterly reports, culminating in a final unduplicated client count on applicant's final report.

- b. Outcome: The applicant shall indicate measurement tools by which effectiveness of the services may be determined, as well as utilize any provided by the Judiciary.

5. Reporting requirements for program and fiscal data

- a. The provider shall submit written quarterly and year-end reports summarizing output and outcome data, performance accomplishments, challenges, and actual expenditures. Quarterly reports are due 30 days after the end of the quarter. Final reports are due 45 days after the end of each fiscal year and/or at the end of the contracted period, as applicable.
- b. Reports shall consist of a statement by the provider relating to the work accomplished during the reporting period and shall include statements of the nature of the work performed, identification of persons served by the provider during the reporting period, identification of any immediate problems encountered during the reporting period, and any recommendations deemed pertinent by the provider, as well as a statement of what activities are proposed to be accomplished during the next reporting period. In addition to the written progress reports, the provider, upon request, shall be required to meet with representatives of the Judiciary to discuss the progress of the work required.
- c. The provider shall, at the completion of the contract period, submit a final written report to the Judiciary. The report shall include documentation of the provider's overall efforts towards meeting the program goals and objectives. Furthermore, the provider shall furnish any additional reports or information that the Judiciary may from time to time require or request.

**2.15 SVC SPEC TITLE: Juvenile Client and Family Services
JC15ICRC - In-Community Service – Reporting Center**

2.15.1 Introduction

A. & B. - (SEE SECTION 2.0.1)

C. Description of the goals of the service

The goal of this service is to establish a Reporting Center to assist juveniles and families to resolve various problems and conflicts to help them learn socially acceptable behaviors and function in the community as law-abiding citizens. Services incorporated, should be reflective of the court's balanced and restorative justice philosophy and the guiding principles of the Juvenile Detention Alternative Initiative (JDAI). The goals of balanced and restorative justice are accountability, competency development, and public safety. JDAI principles are complimentary in that it can help shape and guide jurisdiction's practice through collaboration and a continuum of services that are culturally competent, relevant and accessible to the youth they serve and reduce the reliance on unnecessary confinement in secured detention. The overall goal of JDAI is to establish more effective and efficient systems to accomplish the purposes of secure detention. Using the JDAI model, we aim to eliminate the inappropriate or unnecessary use of secure detention, and minimize failures to appear to court hearings and incidences of delinquent behavior. The Reporting Center shall serve as a community-based alternative to secure detention which will provide highly structured and well supervised group activities during high risk time periods when recidivism is most likely.

D. Description of the target population to be served

Juveniles between the ages of 12 to 17 years who are referred for law violations and status offenses who are at risk of being placed in a Juvenile Detention Facility.

**2.17 SVC SPEC TITLE: Drug Courts, Second Circuit
DR2FCDC - Integrated Substance Abuse Treatment Services,
Family Court Drug Court Program**

2.17.1 Introduction

A. & B. (SEE SECTION 2.0.1)

C. Description of the goals of the service

The goals of the services being requested in this RFP are as follows:

1. To provide treatment services delivered in the drug court treatment modality to clients under Family Court jurisdiction for which substance abuse is a primary issue and who are participating in the Family Court Drug Court Program (FCDCP) in one of its three tracks:
 - a. “J” Track (Levels J-3, J-4, and J-5) will serve juveniles who are under the jurisdiction of Family Court because of status or law violations;
 - b. “S” Track will serve parents and families involved in child protective proceedings in Family Court;
 - c. “CR” Track will serve clients who are under the jurisdiction of Family Court because of domestic abuse offenses.
2. To provide comprehensive substance abuse assessments which include components that address bio-psychsocial functioning and family functioning. These assessments will be used to evaluate clients’ appropriateness for admission to the FCDCP and to determine the appropriate level of service.
3. To provide drug testing services for FCDCP participants in accordance with best practices/evidence based models.

The goal of this treatment and compliance monitoring is to assist clients to increase knowledge about the effects of substance use, decrease and/or abstain from substance use, abstain from any use of methamphetamine, increase pro-social activities, and improve adaptive functioning in school, work, peer relationships, recreational activities, and other areas; identify, create and strengthen cohesive, developmentally appropriate relationships, enhance parents’ ability to provide a safe family home, decrease criminal or delinquent behavior, decrease related problems such as school failure,

behavior problems and emotional distress, and increase non-violence. Services should also be reflective of the court's balanced and restorative justice philosophy which includes the goals of accountability, competency development, and public safety.

D. Description of the target population to be served

1. Treatment services are intended for juveniles, parents/custodians, individuals and families involved in Family Court proceedings for which substance abuse is the primary issue and who consent to participate in the FCDCP. In addition, those juveniles meeting program specified criteria and deemed to be appropriate for the "J" Track may be admitted on an involuntary basis pursuant to an order by the Court. Specifically, the target population in each track is as follows:
 - a. "J" Track (Levels J-3, J-4, J-5): Youths up to age nineteen (19), unless otherwise specified by the FCDCP, who are under the jurisdiction of the Family Court and who have not caused serious bodily injury or used a weapon in the commission of any offense. Highest priority shall be to youth charged with Dangerous Drug offenses.
 - b. "S" Track: Parents and household members who are under the jurisdiction of the Family Court through child protective proceedings. Clients must not have unresolved serious criminal charges. Priority shall be given to clients willing to participate in the program at the commencement of the case.
 - c. "CR" Track: Adults who are charged with domestic abuse offenses and/or facing probation revocations for these types of offenses and who have not caused serious bodily injury or used a weapon or instrument in the commission of any offense. Priority shall be given to those most likely to receive a sentence of incarceration significantly in excess of the two-day minimum.
3. Drug testing services will be provided to adult and juvenile clients participating in the FCDCP. Family members and other identified significant others may also be referred for drug testing services as determined to be appropriate by the FCDCP Treatment Team and only on a voluntary basis.
4. Comprehensive substance abuse assessments will be provided to juvenile

and adult clients through the FCDCP.

E. Geographic coverage of service

Second Circuit -- Islands of Maui, Molokai and Lanai

The applicant may propose to service clients from one or more geographic areas. The applicant need not submit separate proposals for each island. If an applicant proposes to service clients from more than one island, applicant's proposal shall indicate what services will be provided on each island and describe differences in service capacity or capability as applicable.

Preference will be given to services provided in the Second Circuit, however, applicants may submit proposals for Residential Treatment and Therapeutic Living Program services as specified in this RFP which are located in the First, Third, or Fifth Circuit.

F. Probable funding amounts, source, and period of availability

Funding source: State general funds, public grants

Other potential funding sources: Federal funds, private grants

Probable funding amounts:

<u>FY 2016</u>	<u>FY 2017</u>	<u>FY 2018</u>	<u>FY 2019</u>
----------------	----------------	----------------	----------------

Unspecified general funds

Period of availability: The Judiciary intends to award a multi-term contract. The aggregate term of the contract shall not exceed four (4) years, e.g., July 1, 2015 to June 30, 2019, subject to the appropriation and availability of funds and satisfactory contract performance. All State general funds are contingent on appropriation. Funds are available for only the initial term of the contract from July 1, 2015 through June 30, 2017.

NOTE: Funding amounts are not being stated at this time. Applicants should propose funding amounts in their proposals based on their best estimate of the cost of providing the services described in these specifications.

Kelly Kimura, Contracts and Purchasing Office
Phone: (808) 538-5805 Fax: (808) 538-5802
Email: Kelly.Y.Kimura@courts.hawaii.gov

If you have any programmatic questions regarding the requested services, please call the following individual:

David K. Ortiz, Program Specialist, Second Circuit
Phone: (808) 244-2792 Fax: (808) 244-2870
Email: David.K.Ortiz@courts.hawaii.gov

2.17.3 Scope of Work

Applicants may propose services for any or all service activities; all tracks or specified track(s) except that the assessment service provider is not eligible to provide treatment services on the same island for which it provides assessment services.

NOTE: Proposals will be evaluated by service activity according to Section Four of this RFP and will be scored and ranked separately within the following categories: Drug Testing Services, Assessment Services, Family/Systems Based Intervention, Adult Domestic Violence Intervention, Adult In-Community Substance Abuse Services, Adult Residential Substance Abuse Services, Juvenile In-Community Substance Abuse Services, and Juvenile Residential Substance Abuse Services.

A. Drug Testing

Applicants must have the capability to do drug and alcohol testing for youths and adults referred by the FCDCP and must provide gender-specific observation of client providing urine specimen; conduct drug screen and provide results to the FCDCP and as directed by the FCDCP. **Applicants must also have the capability to submit specimens to approved laboratories for confirmation and verification testing of alcohol and drugs, and must specify service delivery in regards to gender and age of the clients, days and times as well as locations of the drug testing sites. Preference will be given to those applicants offering the most flexibility in terms of population to be served, days/times of service, and convenience of location.**

NOTE: These drug testing services are independent of those administered to clients as part of their participation in substance abuse treatment programs.

B. Assessments

Comprehensive substance abuse assessments that are system-focused and strengths based shall be provided for youth and adults who are prospective FCDCP clients and those who may have been court-ordered into or provisionally admitted into the program. Assessments shall include components that thoroughly assesses bio psycho-social and family functioning. As part of the assessment process, assessors must identify those individuals who care about the client and the family and are required to interview family members and other supportive individuals important to the client's recovery. The assessment must be useful to assist the FCDCP to determine client's appropriateness for participation in the FCDCP and the appropriate type and level of services necessary for the client and his/her family, including the identification of risk and protective factors. Applicants must use evaluation tools consistent with evidence based practices. A description of these evaluation tools must be provided by the Applicant. Assessments must be completed within fourteen (14) days of referral.

C. Treatment services

Treatment services shall be client-centered, strength-based, gender specific for substance abuse and when appropriate, for all other treatment/service issues, culturally competent, and shall be implemented in a way that encourages adaptations to increase quality of service. Applicants shall identify barriers to client success in each case for the FCDCP team to consider. For applicants proposing services utilizing group modalities, contingency plans in the event the client census is not conducive to group treatment shall be described. Although

dedicated group sessions are preferred, for all service activities except for the Family/Systems Based Intervention, FCDCP clients may be co-mingled with other non-FCDCP participants in group counseling should it not be practicable to provide these sessions solely for FCDCP clients. Length of participation in the FCDCP in most cases will range from ten (10) months to twenty-two (22) months.

1. Family/Systems Based Intervention:

The focus of this intervention shall be the family/system which is comprised, by definition, of those around the substance abusing client who care for or are important to the client in resolving the problem. Tasks that need to be accomplished include developing an alliance with the family, identifying supports to promote and assist family involvement, reducing negativity and resistance to therapeutic intervention, developing a family/system focus and increasing motivation for change. Additionally, applicants are expected to develop and implement individualized (family) change plans, target and resolve specific problem behaviors and increase the effectiveness of relational and communication skills within the family/system. Individual therapy may also be provided in appropriate cases as directed by the FCDCP Treatment Team. Applicants must provide a complete description of the therapeutic model proposed and the basis for its selection as an appropriate intervention for FCDCP clients.

Family/systems based intervention services must be provided to all FCDCP participants, their family members and other supportive individuals as directed by the FCDCP Treatment Team and must commence within seven (7) days from referral by the FCDCP. Services are generally delivered through one (1) to eight (8) hours per family/system of face-to-face treatment weekly. The specific number of hours of treatment for each client shall be determined by the FCDCP Treatment Team. Family/systems therapists shall meet with the client and his/her family and other supportive individuals in the place of residence of the client/family or in other settings approved by the FCDCP.

On a regular basis, family group sessions focused on educational and process goals as well as to foster group cohesiveness and support for all clients participating in the FCDCP must be made available. These supportive psycho-educational group sessions shall be facilitated at minimum by a staff who possesses a Bachelor's degree with experience working in the substance abuse field. Topic areas may include but not limited to value systems, understanding substance abuse issues, and criminal thinking.

Applicant must provide a description of proposed curriculum for family groups conducted.

Therapists providing individual and family-systems based interventions must hold an advanced degree in behavioral health sciences such as in the areas of marriage and family counseling, social work or other related fields.

2. Adult Domestic Violence Intervention

Treatment services shall be through a group modality and shall integrate batterer intervention, anger management and substance abuse issues. These group sessions shall provide psycho-educational intervention services that address the criminal conduct of batterers who have co-occurring alcohol and other drug use problems. Group treatment shall be co-led with a female and male facilitator as much as possible. The combined training and experience of the facilitators should be in the areas of domestic violence intervention and substance abuse treatment. At least one facilitator should be a Hawaii State Certified Substance Abuse Counselor (CSAC). Individual counseling sessions may be authorized by the FCDC Treatment Team as appropriate and may be substituted for group sessions. Domestic violence intervention services provided must follow the guidelines in the “Hawaii Batterers Program Standards.”

3. Adult Substance Abuse Treatment:

a. Outpatient Treatment – An Outpatient Treatment Program shall provide non-residential comprehensive specialized services on a scheduled basis for clients with substance abuse problems. Professionally directed evaluation, treatment, case management, and recovery services shall be provided to clients with less problematic substance abuse related behavior than would be found in a Residential treatment program.

An Outpatient Program shall provide between one (1) and eight (8) hours per client per week of face-to-face treatment, with a minimum of one (1) individual counseling session per month. Additional individual counseling sessions may be required as determined by the FCDPC Treatment Team.

b. Intensive Outpatient Treatment – An Intensive Outpatient Program shall provide a minimum of nine (9) hours per week of skilled

treatment services. Such treatment usually operates for at least three (3) or more hours per day for three (3) or more days per week. Services shall include individual and group counseling. Professionally directed evaluation, treatment, case management, and recovery services shall be provided.

Intensive Outpatient Programs shall provide a minimum of nine (9) hours up to a maximum of nineteen (19) hours per client per week of face-to-face treatment, with a minimum of one (1) individual counseling session per client per week.

c. Continuing Care or Aftercare – Continuing Care or Aftercare is an organized service that shall provide treatment reinforcement services to the client who has completed treatment. Relapse and recidivism prevention shall be the focus. Generally, approximately one and a half (1.5) hours of individual and/or group activities may be scheduled with each client as determined to be appropriate by the FCDGP Treatment Team.

d. Residential Services

1) Residential Treatment – A Residential Treatment Program shall provide twenty-four (24) hour per day non-medical non-acute care in a residential treatment facility that provides a planned regimen of professionally directed evaluation, treatment, case management, and other ancillary and special services. Observation, monitoring, and treatment are available twenty-four (24) hours a day, seven (7) days a week, with a minimum of one (1) individual counseling session per week with each client.

2) Therapeutic Living Programs:

a) Transitional Living Programs for Adults (TLPA)

These programs provide residential living to residents who are currently receiving substance abuse treatment in a day or outpatient program or have been clinically discharged from treatment yet still are in need of supervision and a clean and sober living environment. All residents in the same transitional residential living program house shall be

adults of the same gender. At a minimum, one direct services staff member with a current first aid certificate and CPR training shall be present in the program when residents are present. For non-therapeutic program hours, the program shall have sufficient staff, as approved by the department, to ensure the safety, health, and delivery of the services. A minimum of fifteen (15) hours per week of face-to-face supportive psycho-social services shall be provided to each resident each week.

b) Transitional Living Programs for Parents with Children (TLPAC)

These programs provide residential living services to residents who are currently receiving substance abuse treatment in a day or outpatient program, or who have been clinically discharged from treatment yet still need supervision and a clean and sober living environment. All residents in the program shall be pregnant women or women with child(ren) or men with child(ren). All adults in the same transitional residential living program house shall be of the same gender. Staff shall be onsite twenty-four (24) hours per day, seven (7) days per week. For non-therapeutic program hours, the program shall have sufficient staff, as approved by the Department of Health, to ensure the safety, health, and delivery of services. A minimum of fifteen (15) hours per week of face-to face supportive psycho-social services shall be provided to each resident each week.

c) Semi-supervised, Independent but Structured Living Arrangements for Adults (SISLA)

These programs provide a structured living arrangement for adults who need minimum professional or paraprofessional support in order to live in the community and avoid a deterioration in functioning and a more restrictive level of care. Staff must be on site a minimum of twelve hours per day,

and on call for twenty-four (24) hours per day, seven (7) days per week. At a minimum, one staff member shall be available for every fifteen (15) residents. All residents in the housing unit shall be adults of the same gender. Further requirements are:

- (1) At least ten (10) hours a week of case management shall be provided to assist residents in independent living skills.
- (2) The program shall maintain scheduled services to facilitate accessibility to and attendance at employment, self-help groups, counseling, and vocational counseling.

- k. Description and length of Continuing/Aftercare services.
- l. Identification and description of a quality assurance program that involves client care and the delivery of services, the personnel who will implement the evaluation and review, and the procedures for corrective actions for problems identified.

(For those proposing to provide more than one modality of care, please describe how responses to the above listed items will differ, as applicable, across the continuum.)

- 3. Aftercare components shall include the development and implementation of appropriate transition plans individually tailored for each client that address transition and recovery issues, and relapse prevention.
- 4. Clients in any level of treatment shall meet the most current version of the American Society for Addiction Medicine Patient Placement Criteria (ASAM-PPC 2R) for admission, continuance, and discharge.
- 5. Experience working with drug courts or in providing treatment and/or other appropriate services to criminal justice clients is preferred.

6. Additional consideration shall be given to applicants that have a minimum of one year experience in the provision of substance abuse treatment services or in the provision of Therapeutic Living (Supportive Living) services for substance abuse clients. For those applicants that do not have a minimum of one year experience in substance abuse treatment or Therapeutic Living services, qualifications and other supportive information shall be detailed relevant to the applicant's competence to perform the required services.
7. Additional consideration shall be given to applicants with the capability to provide the following services:
 - Psychological/Psychiatric/Mental Health Evaluations
 - Medication Evaluation/Monitoring
8. The applicant must demonstrate an understanding that the FCDCP requires a team approach to provision of services and specifically to treatment planning and monitoring. Participation as an active member of the FCDCP Treatment Team and the ability to implement treatment decisions made by the team is a requirement as all treatment plans are reviewed and approved by the team. Weekly status reporting to the drug court in writing is also required. For example, written progress reports on the status of each client and family/system (including summaries of counseling sessions with names of those present, location of contact and whether in person or by telephone; drug testing results, etc.) and any recommendations must be provided prior to every drug court hearing. Also, if determined to be necessary by the FCDCP Treatment Team, the applicant must be available to participate in face-to-face meetings with the judge and other members of the Team to discuss all clients on the calendar for the week's drug court hearing, any clients applying for admission, any clients to be invited for admission, and any other issues. The minimum record check will be conducted once every four years for each person, and/or at the outset of the contract period if such checks have never been conducted. Further, the applicant will ensure the continued suitability of any officer, employee, volunteer or subcontractor to work or provide services to vulnerable clients. Results of all criminal history record inquiries conducted shall be placed in the employee's or volunteer's personnel file and shall be available to Judiciary for review. The applicant further shall have a written plan for addressing any findings that result from a criminal history record check that may affect the treatment milieu (e.g. actively under the supervision of any criminal justice agency, convicted sex offenders). Prior to commencing any work or services on the contract, the applicant shall ensure that any officer, employee, volunteer or subcontractor is suitable to be performing work or services in close proximity to or with unsupervised access to children, disabled, and/or elderly clients will be of reputable and responsible character and will not pose a risk to the health, safety, security, or well-being of clients, staff and the general public.
- d. The applicant shall conduct Child Protective Services central registry checks on any administrative and program staff and volunteers working in positions which necessitate close proximity to children or adolescents.
- e. The applicant shall submit an agency organizational chart which includes and identifies all programs that the agency /applicant oversees/administers, inclusive of subcontractors and consultants.

- f. The applicant shall have on the premises at least one person currently certified in First Aid and CPR unless otherwise specified by the FCDCP.
- g. The Applicant shall maintain documentation for each employee of an initial and annual tuberculosis (TB) skin test or chest X-ray.
- h. The staff and volunteers, if used by the applicant, shall be under the supervision of the program director or his or her designee and shall, accordingly, be trained in client confidentiality issues and program quality assurance requirements.

2. Administrative

- a. The applicant shall establish and implement policies and procedures which clearly identify the target population for each type of service, the program content, and methods of service delivery.
- b. Court appearances and/or testimony shall be provided as needed.

3. Quality assurance and evaluation specifications

- a. The applicant shall have a quality assurance plan which identifies the mission of the organization, what services will be provided, how they are delivered, who is qualified to deliver the services, who is eligible to receive the services, and what standards are used to assess or evaluate the quality and utilization of services.
- b. Program evaluation should reflect the documentation of the achievement of the stated goals, using tools and measures consistent with the professional standards of the disciplines involved in the delivery of services.
- c. Applicants shall agree, by contract, to be willing to undergo a program assessment and/or audit designed to assess applicant's implementation of effective practices in working with offenders with substance use problems. Based on the assessment/audit report, the vendor will develop in concert with the contracting agency, an action plan to address areas which need improvement. There should be at least one quality improvement activity completed annually.

- d. Applicants shall provide all program monitoring, assessments and/or evaluation reports completed within the last two years.
4. Output and performance/outcome measurements
- a. Output: The applicant shall record unduplicated clients served. The unduplicated client count shall be recorded in the applicant's quarterly reports, culminating in a final unduplicated client count on the applicant's final report.
 - b. Outcome: The applicant shall propose measurement tools by which effectiveness of the services may be determined, as well as utilize any provided by the Judiciary.
5. Experience
- a. The Applicant must have demonstrated competence or qualifications to perform the required services.
 - b. The applicant must have a minimum of one (1) year of experience in the provision of substance abuse treatment services, or in the provision of Therapeutic Living Program and Sober Housing services for substance abuse clients. In the absence of such experience, the Applicant shall provide supporting evidence why the one (1) year requirement should be waived.
 - c. The applicant must have a minimum of one (1) year of experience in the provision of services to offenders. In the absence of such experience, the applicant will provide supporting evidence why the one (1) year requirement should be waived.
6. Coordination of service
- a. Applicants shall describe their ability to collaborate with other appropriate services, including, but not limited to, health, mental health, social, educational, vocational rehabilitation and employment services.
 - b. Applicants intending to provide only part of the continuum of substance abuse treatment and other specified interventions shall also have and document appropriate linkages to the other required services for FCDCP clients.

7. Reporting requirements for program and fiscal data
 - a. The applicant shall submit written quarterly and year-end reports summarizing output and outcome data, performance accomplishments, challenges, and actual expenditures. Quarterly reports are due 30 days after the end of the quarter. Final reports are due 45 days after the end of each fiscal year and/or at the end of the contract period, as applicable.
 - b. Reports shall consist of a statement by the applicant relating to the work accomplished during the reporting period and shall include statements of the nature of the work performed, identification of persons served by the applicant during the reporting period, identification of any immediate problems encountered during the reporting period, and any recommendations deemed pertinent by the applicant, as well as a statement of what activities are proposed to be accomplished during the next reporting period. In addition to the written progress reports, the applicant, upon request, shall be required to meet with representatives of the Judiciary to discuss the progress of the work required.
 - c. The applicant shall, at the completion of the contract period, submit a final written report to the Judiciary. The report shall include documentation of the applicant's overall effort towards meeting the program goals and objectives, to include information on the outcome(s) of quality improvement activities engaged in. Furthermore, the applicant shall furnish any additional reports or information that the Judiciary may from time to time require or request.
 - d. Pursuant to HRS 601-21, the applicant shall comply with the requirements of the statewide substance abuse treatment monitoring program established under HRS 321-192.5. The Judiciary additionally requires that all programs which provide substance abuse treatment services, whether accredited or not accredited by ADAD, participate in the statewide data collection activities under the purview of ADAD unless otherwise specified by the Judiciary.
8. Pricing or pricing methodology to be used

The applicant shall submit a proposal based on a "Negotiated Unit

of Service” and/or “Fixed Rate” pricing methodology.

9. Units of service and unit rate

- a. Applicant’s proposal shall be based on a “Negotiated Unit of Service”and/or “Fixed Rate” pricing methodology. However, applicant’s proposal should reference average expected lengths of treatment proposed in each category and provide fees for units of services as follows:

<u>Service Activity</u>	<u>Unit</u>	<u>Est. Slots/Year*</u>
Drug Testing	Per Test	35-90 tests/mon.
Assessments	Per Client	6-15 clients
Family/systems Based Intervention	Per Hour/Client	10-20 clients
Adult Substance Abuse Treatment		
1. Outpatient	Per Session/Client	5-15 clients
2. Intensive Outpatient	Per Session/Client	5-15 clients
3. Day Treatment	Per Day/Client	1-2 clients
4. Continuing Care	Per Session/Client	5-15 clients
5. Residential	Per Bed Day/Client	5-8 clients
6. Therapeutic Living	Per Bed Day/Client	5-10 clients
7. Sober Living	Per Bed Day/Client	5-15 clients

2.18.3. Scope of Work

Applicants may propose to provide the whole continuum of services or only a part of the continuum, i.e. In-Custody Substance Abuse/Chemical Dependency Services, In-Community Substance Abuse/Chemical Dependency Services, Residential Substance Abuse/Chemical Dependency Services. Applicants must clearly state the specific service activities they are proposing to provide.

NOTE: Proposals will be evaluated by service activity according to Section Four of this RFP and will be scored and ranked separately within the following categories: In-Custody Substance Abuse/Chemical Dependency Services, In-Community Substance Abuse/Chemical Dependency Services, and Residential Substance Abuse/Chemical Dependency Services.

The scope of work encompasses the following tasks and responsibilities:

A. Service Activities (Minimum and/or mandatory tasks and responsibilities)

To provide a continuum of evidence-based, offender-oriented substance abuse treatment services, delivered in the drug court treatment modality, to adult male and female felony offenders with drug and/or drug and alcohol related problems who are voluntarily participating in the MDC Program in the Second Circuit Court, State of Hawaii. Gender specific curriculum should also be incorporated that addresses trauma informed care practices. As detailed below, services to be available for clients shall include assessment and substance abuse/chemical dependency treatment while incarcerated and in the community, Residential Substance Abuse/Chemical Dependency Treatment, Therapeutic Living Programs, and Sober Housing as needed.

Treatment services should incorporate supportive services including but not limited to the following areas: relationships, parenting, life skills, effective communication, and community resources.

Modifications to requirements for service delivery may be negotiated between the Judiciary and the selected provider(s) in response to changes in program needs during the contract period.

- 1. In-Custody Substance Abuse/Chemical Dependency Services:** Through a collaboration between the Judiciary-MDC and the Department of Public Safety-Maui Community Correctional Center (MCCC), substance abuse treatment/chemical dependency services are to be provided to MDC referred participants while incarcerated at the MCCC. These participants have completed a program screening and have been set to be admitted to the MDC. The MDC In-Custody Treatment Program (ICTP) is an approximate ninety (90) day program intended to provide substance abuse/chemical dependency treatment for inmates from Maui, Molokai or Lanai who are incarcerated at MCCC and who have been assessed and admitted to the MDC. Participants are housed separately from the general population of MCCC inmates in two dorms: Dorm 3 houses up to twenty (20) males and Dorm 5 has a capacity of up to seven (7) beds for women.

The partner agencies in this collaborative effort shall provide oversight and direction with regard to the service delivery of the MDC ICTP, including curricula, methodology of the treatment/services provided, case management, and other program activities. Further, the partner agencies shall review and approve the appropriateness of the service delivery prior to program implementation. Service delivery for the MDC ITCP shall be provided as follows:

a. **Program Structure:** A minimum of twenty-one (21) hours of face-to-face activities per week shall be provided, which includes at least one (1) hour of individual counseling to be conducted with each client. Applicants shall provide a detailed description of the model(s) to be used within a ninety (90) day program, including the philosophical basis for treatment, and for dealing with incarcerated inmates who have a history of substance abuse/chemical dependency. Program components are as follows:

1) **Assessments:** Comprehensive substance abuse assessments shall be provided to those applicants who have been accepted by the MDC for assessment and admission to the program. Assessments shall be conducted or reviewed/approved by those with a current State of Hawaii, Substance Abuse Counselor Certificate. Assessments shall consist of gathering relevant history from the client, including but not limited to, alcohol and other drug abuse using appropriate interview techniques. Provider will obtain corroborative information from significant secondary sources regarding client's alcohol and other drug abuse and psycho-social history. Provider shall identify the appropriate assessment tools to be used and explain to the client the rationale for the use of assessment techniques in order to facilitate understanding. Assessments shall include developing a diagnostic evaluation of the client's substance abuse and any coexisting conditions based on the results of all assessments utilizing the American Society of Addiction Medicine (ASAM) criteria, and the Diagnostic Statistical Manual of Mental Disorders (DSM IV) in order to provide an integrated approach to treatment planning based on the client's strengths, weaknesses, and identified problems and needs.

2) **Group and Individual Counseling:** Initial and updated treatment planning, crisis intervention, individual and group counseling, substance abuse education, and skill building groups shall be provided. For each client, ongoing evaluation of treatment progress shall be provided which includes an assessment of the client's readiness for continued participation in the MDC Program.

MDC clients who are re-housed at the facility from the community and placed into the general population will receive one (1) hour per week of individual counseling to

maintain treatment services.

- 3) **Drug Testing:** Random and observed urinalysis shall be administered throughout the duration of the program at a minimum of twice monthly per client and as needed.
- 4) **Collaboration with Partners:** Open and consistent communication shall be maintained between the prospective provider and the partner agencies based on a commonality of goals in the spirit of mutual support and collaboration.

2. **In-Community Substance Abuse/ Chemical Dependency Services:**

In-community substance abuse/chemical dependency services shall consist of the following services (defined below) to be delivered in the drug court treatment modality to clients in an approximate 15-month drug court program. **(Please refer to Table of Recommended Minimum Services Per Week For In-Community Substance Abuse/Chemical Dependency Services as a guideline for service provision.)** Applicants shall provide a detailed description of the model to be used within a drug court program, including the philosophical basis for treatment and for dealing with criminal offenders with a history of substance abuse/chemical dependency. Curriculum used will be based on best practice standards demonstrating evidence based support.

The curriculum may be modified during the contract period with written approval and review by the MDC Administrator.

- a. **Program Structure:** Applicants must have the capability to complete assessments, provide initial and updated treatment planning, crisis intervention, individual and group counseling, substance abuse education, skill building groups. Group size shall not exceed thirty (30) participants for each session provided and the maximum facilitator to client ratio shall be 1:15 unless otherwise specified by the MDC. For each client, ongoing evaluation of treatment progress shall be provided which includes a regular review of the appropriateness of the level of care being provided to the client. Programs shall develop and implement appropriate transition plans for each client in the final phases of treatment and prior to entry into continuing care. The plan shall address transition and recovery issues and relapse/recidivism prevention. Program components are as follows:

- 1) **Comprehensive substance abuse assessments** shall be

Treatment in this phase shall be for two (2) hours of group treatment one (1) day per week per client with an additional one (1) hour per week of individual counseling.
- 3) **Outpatient Treatment (Phase B):** Provides non-residential comprehensive specialized services on a scheduled basis for individuals with substance abuse/chemical dependency issues. Professionally directed evaluation, treatment, and recovery services shall be provided to clients appropriate for a lower level of substance abuse/chemical dependency related service. Treatment in this phase shall be for two (2) hours of group treatment per day for up to three (3) days per client per week of face-to-face treatment, including at least one (1) hour per week of individual counseling.
- 4) **Intensive Outpatient Treatment (Phase C):** Provides

non-residential specialized intensive services on a scheduled basis for individuals with substance abuse problems. Group treatment services shall operate for a minimum of two (2) hours per day for four (4) days per week. Services may include individual and group counseling, medication management, family therapy, educational groups, occupational and recreational therapy, and other therapies. Professionally directed evaluation, treatment, and recovery services shall be provided, for a minimum of nine (9) hours per client per week of face-to-face treatment, including at least one (1) hour per week of individual counseling.

- 5) **Drug Testing:** Applicants must have the capability to provide frequent drug and alcohol testing. Drug testing shall include random and observed breath, urine, and hair analysis for all active MDC clients who are receiving or who have received treatment from the selected provider for In-Community Substance Abuse/Chemical Dependency Services as specified in this RFP.
- 6) **Friends and Family Groups:** Psycho-educational sessions shall be provided for all MDC referred program participant friends/families and for all MDC clients who are currently in Phases A - C. Sessions shall be focused on educational curricula to assist the participant in the group an understanding of substance abuse issues.

Applicant must provide detailed description of proposed curriculum for the group.

3. **Residential Substance Abuse Services**

- a. **Residential:** Provides a planned regimen of professionally directed evaluation, treatment, case management, and other ancillary and special services. Observation, monitoring and treatment are available 24 hours a day, seven days a week. A minimum of twenty-four (24) hours per week of face-to-face treatment shall be provided, including a minimum of one (1) hour per week of individual counseling to be scheduled with each client. Programs shall develop and implement appropriate transition plans for each client in the final phases of treatment. The plan shall address transition and recovery issues and relapse/recidivism prevention.

b. **Therapeutic Living:** Provides a less structured residential setting than that of a special treatment facility for those persons recovering from substance abuse. The program shall aid residents in meeting basic needs and provide supportive services through an individualized recovery and discharge plan. The categories of Therapeutic Living Programs are as follows:

1) **Transitional Living Programs for Adults**

These programs provide residential living to residents who are currently receiving substance abuse treatment in a day or outpatient program or have been clinically discharged from treatment yet still are in need of supervision and a clean and sober living environment. All residents in the same transitional residential living program house shall be adults of the same gender. At a minimum, one direct services staff member with a current first aid certificate and CPR training shall be present in the program when residents are present. For non-therapeutic program hours, the program shall have sufficient staff, as approved by the department, to ensure the safety, health, and delivery of the services. A minimum of fifteen (15) hours per week of face-to-face supportive psycho-social services shall be provided to each resident each week.

2) **Transitional Living Programs for Parents with Children**

These programs provide residential living services to residents who are currently receiving substance abuse treatment in a day or outpatient program, or who have been clinically discharged from treatment yet still need supervision and a clean and sober living environment. All residents in the program shall be pregnant women or women with child(ren) or men with child(ren). All adults in the same transitional residential living program house shall be of the same gender. Staff shall be onsite twenty-four (24) hours per day, seven (7) days per week. For non-therapeutic program hours, the program shall have sufficient staff, as approved by the Department of Health, to ensure the safety, health, and delivery of services. A minimum of fifteen (15) hours per week of face-to-face supportive psycho-social services shall be provided to each resident each week.

3) **Semi-supervised, independent but structured living**

arrangements for adults

These programs provide a structured living arrangement for adults who need minimum professional or paraprofessional support in order to live in the community and avoid a deterioration in functioning and a more restrictive level of care. Staff must be on site a minimum of twelve (12) hours per day, and on call for twenty-four (24) hours per day, seven (7) days per week. At a minimum, one staff member shall be available for every fifteen (15) residents. All residents in the housing unit shall be adults of the same gender.

Further requirements are:

- a) At least ten (10) hours a week of case management shall be provided to assist residents in independent living skills.
- b) The program shall maintain scheduled services to facilitate accessibility to and attendance at employment, self-help groups, counseling, and vocational counseling.
- c) The program shall provide or arrange for educational services appropriate to the level of functioning and comprehension of the resident.
- d) The program shall provide residents with information about community resources and assist them in accessing those resources.
- e) The program shall facilitate peer group support and provide supervision in daily living skills and work.

- c. **Sober Housing:** Sober housing shall provide a sober living environment as part of transitional planning for recovering individuals who generally have completed appropriate substance abuse treatment services and who require a supportive, alcohol and drug-free residence that will reinforce sober and responsible behavior. Residents do not require twenty-four (24) hour supervision, rehabilitation, therapeutic services, or home care. Sober houses may be democratically managed and self-supporting, with limited, short-term Judiciary funding provided for eligible clients' rental fees and/or other program operations.

In its proposal, the applicant shall include its policies and procedures regarding the provision of Sober Housing. At a minimum, the policies and procedures must specify that residents

may not possess or consume alcohol, illegal drugs, or non-medically prescribed medication on or off the premises.

- d. **Drug Testing:** Random and observed breath and urine testing shall be administered in all residential programs described above with the exception of sober housing.

2.20.3 Scope of Work

The scope of work encompasses the following tasks and responsibilities:

A. Service Activities (Minimum and/or mandatory tasks and responsibilities)

Applicants may provide a comprehensive continuum of evidence-based offender-oriented treatment services to include Substance Abuse Assessments, Substance Abuse Education, Outpatient and Intensive Outpatient to adolescents with alcohol and/or other drug related problems who are ordered or directed by the Juvenile Drug Court to obtain such services. Clients in any level of treatment shall meet the most current version of the American Society for Addiction Medicine Patient Placement Criteria (ASAM-PPC) for admission, continuance, and discharge, and documentation shall be included in the client's chart.

1. **Substance Abuse Assessments.** Substance abuse assessments shall be completed or reviewed/approved by certified substance abuse counselors, program administrators certified pursuant to Section 321-193 (10), Hawaii Revised Statutes; or individuals who hold an advanced degree in a behavioral health science. Assessments shall be completed to determine the need for substance abuse treatment and provide a recommended level of service. Assessments will take into consideration client history of substance use; bio-medical conditions and complications; emotional, behavioral or cognitive conditions and complications; readiness to change; relapse, continued use or continued problem potential and recovery/living environment. Assessments shall apply Diagnostic and Statistical Manual and the American Society of Addiction Medicine Patient Placement Criteria.
2. **Substance Abuse Education.** Substance Abuse Education shall provide clients with information pertaining to the pharmacology of substance abuse, lifestyle consequences, emotions management, coping skills and problem-solving training using cognitive behavioral techniques, treatment process, relapse prevention and abstinence maintenance training. The alcohol education and counseling program shall be for eight (8) to ten (10) hours and may include topics on the effects of alcohol on the brain and body, legal and social consequences, triggers to using, etc. The applicant shall also provide a parent/guardian education and counseling program of not more than ten (10) hours.
3. **Outpatient/Intensive Outpatient Treatment.** Outpatient/Intensive Outpatient Treatment provides comprehensive non-residential services to adolescents with substance abuse problems. Program activities shall include professionally directed assessment, initial and updated treatment planning, case management, individual and group counseling, substance abuse education, family counseling and support services. Services

may also include, but is not limited to, skill building, recreational therapy, and family counseling.

Outpatient services shall provide between one (1) and (8) hours per client per week of face-to-face treatment, including one (1) hour of scheduled and documented individual counseling per client per month. Intensive Outpatient services shall provide nine (9) or more hours per week of face-to-face treatment services, including one (1) hour of scheduled and documented individual counseling per client per week.

4. Applicants shall establish and implement policies and procedures for the following:
 - a. Applicants for Outpatient/Intensive Outpatient services shall provide written weekly progress reports for weekly staffing or court hearings. Written admission, staffing and court hearing reports and discharge reports shall be provided to supervising probation officers. Written discharge reports shall be provided no more than five (5) working days after a client's discharge or earlier upon request of the supervising officer for court hearing purposes. Discharge reports shall include the dates of admission, treatment and termination; reasons for termination with explanation; discharge plans and recommendations (including recommendations for handling of client target behaviors, relapse prevention plans, possible sanctions, etc), when applicable. Applicants shall attach sample copies of report formats to be used for these purposes.
 - b. The applicant shall have the capability and capacity to conduct alcohol and drug testing.

The applicant shall provide their written policies and procedures for such testing and shall describe the frequency and application of testing in treatment. Random and observed collections are required. The applicant shall insure that chain of custody and confidentiality issues are addressed appropriately. The applicant shall establish written testing, chain of custody and confidentiality procedures.

The Applicant shall identify instrumentation being utilized to conduct such testing and shall have the ability to do laboratory confirmation testing utilizing Gas Chromatography Mass Spectrometry or Liquid Chromatography Tandem Mass Spectrometry. Laboratories conducting such confirmation testing shall be Substance Abuse and Mental Health Services Administration and/or College of Addiction Pathologists – Forensic Urine Drug Testing certified. Confirmation testing at Limit of Quantitation levels is preferred.

Positive drug test results shall be reported immediately to the supervising probation officer, and a summary of drug test results shall be included in the required weekly reports for each client.

- c. Programs shall notify the supervising officer or program of any prospective major change in a client's status (i.e. potential discharge or level of care change)

occurring before the scheduled reporting cycle. Program staff will participate in staffing meetings with the Juvenile Drug Court when it is determined to be in the best interest of the client's treatment and adjustment.

- d. Applicants who provide Outpatient and Intensive Outpatient treatment modalities shall develop and implement appropriate transition plans for each client prior to discharge. The plan shall address transition and recover issues and relapse prevention, and shall be forwarded to the supervising officer.
 - e. Applicants shall provide treatment transition assistance to the client in the event that treatment funding is terminated, i.e. referral to another program, referral back to the supervising officer, etc.
 - f. Outpatient programs shall collaborate with other community agencies and resources, including but not limited to health, mental health, social, educational, vocational rehabilitation, and employment services for coordination and linkages with other services as part of the continuum of care.
 - g. Shall work together with the Juvenile Drug Court to provide ongoing case review and assessment of the client's progress throughout the treatment period.
 - h. Shall notify the Juvenile Drug Court or probation officer immediately or within 24 hours of juvenile's discharge, missed appointments and any emergencies that he/she experience.
 - i. Agrees to notify the Juvenile Drug Court or probation officer if there are any problems prior to termination of any juvenile, except in cases of emergency such as violence or threat of violence against staff or other clients.
 - j. Ensure that functions such as clinical supervision, clinical evaluation, treatment planning and individual, group and family counseling shall be provided by substance abuse counselors or program administrators certified pursuant to Section 321-193 (10), Hawaii Revised Statutes, or who holds an advance degree in behavioral science, unless otherwise approved by the Alcohol and Drug Abuse Division or the Department of Health, State of Hawaii.
 - k. Total time on placement shall not exceed the length of the juvenile's participation in the Juvenile Drug Court program.
5. Services and treatment are for referrals or placements made by the Juvenile Drug Court of the Third Circuit.

B. Management Requirements (Minimum and/or mandatory requirements)

1. Personnel

- a. The applicant shall possess and document knowledge, capacity, skills and experience in working with the targeted population. Applicants shall ensure that clinical supervision over program activities is provided by Hawaii State certified substance abuse counselors (CSACs) pursuant to Section 321-193 (10), Hawaii Revised Statutes; or who hold an advanced degree in behavioral health science (clinical supervision).

CSACs and individuals who hold an advanced degree in behavioral health sciences preferably shall perform the following functions; however, non-CSACs or non-Masters level providers may be utilized as long as they are directly supervised* by a CSAC or Master level counselor and are working toward certification:

- Clinical evaluation
- Treatment planning
- Individual, group, and family counseling

*Direct supervision means a minimum of one hour supervision for every seven hours of performance. This involves teaching the supervisee about each core function of a substance abuse counselor, demonstrating how each core function is accomplished, the supervisee sitting in while the supervisor performs the function, the supervisee performing the function with the supervisor present, and finally, the supervisee performing the function independently, but with review and feedback from the supervisor. In addition, supervisees shall be required to attend ADAD-approved CSAC preparatory training when available.

Applicants shall describe its program for increasing clinical staff competencies in the acquisition of evidence-based, offender-oriented treatment. At a minimum, applicants shall demonstrate how direct care staff will be assisted in understanding and applying the risk-need-responsivity principles in their treatment of offenders, as well as the stages of change, motivating the client toward change and behavioral treatment.

- b. The applicant shall conduct a State and Federal fingerprint- based criminal history record check for any person, including, but not limited to any officer, employee, volunteer or subcontractor, who performs work or services which necessitates close proximity to or unsupervised access to vulnerable clients such as children, disabled, and/or the elderly , or other program related vulnerable clients . In addition, the applicant will conduct a search of the State and National Sex Offender Registries, <http://sexoffenders.hawaii.gov> (State Sex Offender Registry) and the www.nsopr.gov (National Sex Offender Public Registry). The minimum record check will be conducted once every four years for each person, and/or at the outset of the contract period if such checks have never been conducted. Further, the applicant will ensure the continued suitability of any officer, employee, volunteer or subcontractor to work or provide services to

vulnerable clients. Results of all criminal history record inquiries conducted shall be placed in the employee's or volunteer's personnel file and shall be available to Judiciary for review. The applicant further shall have a written plan for addressing any findings that result from a criminal history record check that may affect the treatment milieu (e.g. actively under the supervision of any criminal justice agency, convicted sex offenders). Prior to commencing any work or services on the contract, the applicant shall ensure that any officer, employee, volunteer or subcontractor is suitable to be performing work or services in close proximity to or with unsupervised access to children, disabled, and/or elderly clients will be of reputable and responsible character and will not pose a risk to the health, safety, security, or well-being of clients, staff and the general public.

- c. The applicant shall have on the premises at least one person currently certified in First Aid and CPR.
- d. The applicant shall maintain documentation for each employee of an initial and annual tuberculosis (TB) skin test or chest X-ray.
- e. The staff and volunteers, if used by the applicant, shall be under the supervision of the program director or his or her designee and shall, accordingly, be trained in client confidentiality issues and program quality assurance requirements.

2. Administrative

The applicant shall establish and implement policies and procedures which clearly identify the target population for each type of service, the program content, and methods of service delivery.

3. Quality assurance and evaluation specifications

- a. The applicant shall have a quality assurance plan which identifies the mission of the organization, what services will be provided, how they are delivered, who is qualified to deliver the services, who is eligible to receive the services, and what standards are used to assess or evaluate the quality and utilization of services.
- b. Program evaluation should reflect the documentation of the achievement of the stated goals, using tools and measures consistent with the professional standards of the disciplines involved in the delivery of services.
- c. Applicants shall agree, by contract, to be willing to undergo a program assessment and/or audit designed to assess applicant's implementation of effective practices in working with offenders with substance use problems. Based on the assessment/audit report, the vendor will develop in concert with the contracting agency, an action plan to address areas which need improvement. There should be at least one quality improvement activity completed annually.
- d. Applicants shall provide all program monitoring, assessments and/or evaluation

reports completed within the last two years.

4. Output and performance/outcome measurements

- a. Output: The applicant shall record unduplicated clients served. The unduplicated client count shall be recorded in the applicant's quarterly reports, culminating in a final unduplicated client count on the applicant's final report.
- b. Outcome: The applicant shall indicate measurement tools by which effectiveness of the services may be determined, as well as utilize any provided by the Judiciary.

5. Reporting requirements for program and fiscal data

- a. The provider shall submit written quarterly and year-end reports summarizing output and outcome data, performance accomplishments, challenges, and actual expenditures. Quarterly reports are due 30 days after the end of the quarter. Final reports are due 45 days after the end of each fiscal year and/or at the end of the contract period, as applicable.
- b. Reports shall consist of a statement by the provider relating to the work accomplished during the reporting period and shall include statements of the nature of the work performed, identification of persons served by the provider during the reporting period, identification of any immediate problems encountered during the reporting period, and any recommendations deemed pertinent by the provider, as well as a statement of what activities are proposed to be accomplished during the next reporting period. In addition to the written progress reports, the provider, upon request, shall be required to meet with representatives of the Judiciary to discuss the progress of the work required.
- c. The provider shall, at the completion of the contract period, submit a final written report to the Judiciary. The report shall include documentation of the provider's overall effort towards meeting the program goals and objectives. Furthermore, the provider shall furnish any additional reports or information that the Judiciary may from time to time require or request.
- d. The applicant shall comply with the requirements of the statewide substance abuse treatment monitoring program established under HRS 321-192.5. The Judiciary additionally requires that all programs which provide substance abuse treatment services, whether accredited or not accredited by the Department of Health, Alcohol and Drug Abuse Division (ADAD), participate in the statewide data collection activities under the purview of ADAD.

6. Pricing or pricing methodology to be used
