Each invoice shall be approved by the Administrative Director of the Courts or a designee.
- H. Final payment shall be made only after submission by the CONTRACTOR of a Tax Clearance issued by the Hawaii State Department of Taxation and the Internal Revenue Service showing that all delinquent taxes levied or accruing under State statutes have been paid in accordance with Section 103-53, Hawaii Revised Statutes.

3.5.2 Termination for Lack of Funds.

Pursuant to Section 1030-39, Hawaii Revised Statutes, except in certain instances, no contract entered into between the Judiciary and the Contractor shall be binding or of any force unless the Judiciary's Financial Services Administrator certifies that there is an available unexpended appropriation or balance of an appropriation over and above all outstanding contracts sufficient to cover the amount required by the contract.

If the contract calls for performance or payment in more than one fiscal year, the fiscal year being July 1 to June 30, the Judiciary Fiscal and Support Services Administrator is permitted to certify only that portion of the total funds required for the contract that is available since funds may not be allocated to satisfy the Judiciary's obligations for periodic payments in future fiscal periods. In such an event, the Judiciary will not be obligated to pay the net remainder of the agreed to consecutive periodic payments remaining unpaid beyond the end of the current fiscal year, and availability of funds in excess of the amount certified as available shall be contingent upon future appropriations.

All contracts partially funded shall be enforceable only to the extent to which funds have been certified as available. The Judiciary agrees to notify the Contractor of such non-allocation at the earliest possible time. No penalty shall accrue to the Judiciary in the event this provision shall be exercised. This provision shall not be construed so as to permit the Judiciary to terminate the contract in order to acquire similar services from a third party.

3.6 PROFESSIONAL ERRORS AND OMISSIONS

CONTRACTOR understands that CONTRACTOR is subject to liability, under applicable law, for any professional errors and omission which may occur in connection with the performance of service in connection to this Agreement.

CONTRACTOR shall obtain and keep in force throughout the period of this agreement, or any extension of service, a professional errors and omission liability insurance policy issued by a company authorized to do business in the State of Hawaii, in the minimum amount of ONE HUNDRED THOUSAND DOLLARS (\$100,000.00) per claim. CONTRACTOR shall furnish JUDICIARY with evidence that CONTRACTOR maintains such insurance.
