#### JUDICIAL PERFORMANCE PROGRAM 2013 REPORT

#### INTRODUCTION

The Judicial Performance Program 2013 Report summarizes the results of evaluations involving seven Circuit Court judges and four District Court and Per Diem judges. Also included are the results of a juror evaluation of eight Circuit Court judges.

To ensure the security, anonymity, and confidentiality of the evaluation process, it was administered by Hawai'i Information Consortium. Hawai'i Information Consortium maintains and manages the eHawaii.gov website. It is a company that is completely independent of the Judiciary.

The Judicial Performance Program was created by Supreme Court Rule 19 as a method of promoting judicial competence and excellence. The members of the Judicial Performance Committee are listed in Appendix A.

Judicial Performance Program reports are issued yearly. Since the evaluation process has been and is still evolving, comparisons of individual scores should be made only within each respective report group.

#### **JUDGES' RATINGS**

Judges are rated on Legal Ability, Judicial Management Skills, Comportment, and Settlement and/or Plea Agreement Ability. All yearly reports on the Judicial Performance Program are available to the public. Scores and comments received for individual judges are available to the Judicial Selection Commission, upon its request.

Pictographs displaying frequency distributions of the judges' ratings are included in this evaluation report. Comparative rankings are provided in each area of assessment.

#### **EVALUATION CYCLES**

Appellate justices and judges and Circuit Court judges are scheduled for evaluation three times in their ten-year terms. Full time District Family Court judges and District Court judges are scheduled for evaluation twice in their six-year terms. For purposes of this program, Circuit Court judges assigned to the Family Court of the First Circuit are considered Family Court judges but are evaluated three times during their ten-year terms. A portion of the Per Diem judge pool is scheduled for evaluation every three years.

The full time Family Court and District Court evaluations are phased to result in these courts being included in the evaluation process two out of every three years; that is, about one-half or approximately ten judges from each group are evaluated per cycle. Evaluations of both full time Family Court and full time District Court judges were conducted in 2012.

Evaluation of District Court, but not of Family Court, judges was conducted in 2013. Evaluation of Family Court, but not of District Court, judges is scheduled for 2014.

#### JUDICIAL EVALUATION REVIEW PANEL

The Judicial Evaluation Review Panel assists Chief Justice Mark E. Recktenwald in the review and evaluation process. The Review Panel interviews the judges, and consists of nine members: Robert Alm, Momi Cazimero, Kenneth Hipp, Douglas McNish, Willson Moore Jr., William Santos, Betty Vitousek, Corinne Watanabe, and Ruthann Yamanaka. The Review Panel is organized into groups of three; every effort is made for each panel to consist of one former judge, one nonpracticing attorney, and one member of the public knowledgeable in the law. Their purpose is to interview and counsel the evaluated judges and help the judges improve their performance.

#### CIRCUIT COURT RESULTS

Seven Circuit Court judges received the results of their evaluations under cover of memoranda dated October 9, 2013. A link to the online questionnaire was provided to attorneys by email on June 25, 2013. The surveys were collected from June 25, 2013 until July 19, 2013.

Although ten judges were selected for the evaluation, only seven judges received at least the eighteen responses required to be included. The other three judges did not receive evaluation reports.

The email to active attorneys from Chief Justice Mark E. Recktenwald and from the President of the Hawaii State Bar Association is printed in Appendix B. The questionnaire is printed in Appendix C. Possible ratings range from <u>one</u> for Poor to <u>five</u> for Excellent. Table 1 on page 4 provides the average scores by section for the seven judges.

The mean score for the Legal Ability section was 3.8, with a standard deviation of 0.2. The standard deviation gives an indication of the amount of variation in the scores among the judges. (A small standard deviation means that scores generally were clustered about the mean; a large standard deviation means that there was less clustering of the scores.) Most of the judges scored between 3.6 and 4.0 in this section.

The mean score for the Judicial Management Skills section was 4.0, with a standard deviation of 0.2. The mean score for the Comportment section was 4.0, with a standard deviation of 0.4. The mean score for the Settlement and/or Plea Agreement Ability section was 3.9, with a standard deviation of 0.2. The frequencies of the judges' ratings, by category, are printed on pages 5 to 8.

There were 294 responses from attorneys out of 4513 emails sent out. Some of these attorneys appeared before more than one judge. A reminder email sent to selected attorneys is printed in Appendix D. The number of responses did not equal the number of questionnaires received. The number of questionnaires received for the seven evaluated judges totaled 317, with between 34 and 56 questionnaires received for each judge.

#### CIRCUIT COURT JUROR EVALUATION RESULTS

Juror evaluation results were transmitted to eight Circuit Court judges by Chief Justice Recktenwald under cover of memoranda dated May 1, 2013. Surveys were distributed by standard mail on January 24, 2013 and were collected until February 27, 2013. Table 3 on the next page provides the averages for the eight judges.

The mean score for Overall Performance was 4.8, with a standard deviation of 0.1. Most of the judges received scores between 4.7 and 4.9 for Overall Performance. The mean score for the other ten evaluation categories combined was 4.7, and the standard deviation was 0.0. The frequencies of judges' ratings, by category, are printed on pages 17 and 18. The juror evaluation questionnaire is included as Appendix F.

Jurors were selected from the pools of jurors who had been chosen or sworn, including alternates. Even if a juror had not sat through an entire trial because of settlement or other reasons, it was felt that the juror would have had sufficient contact with the judge to be able to fill out the evaluation. Between 128 and 150 jurors were selected for each judge.

The number of survey forms distributed for the eight judges was 1172. Of this total, 473 questionnaires were returned. Between 48 and 68 questionnaires were received per judge.

### EMAIL FROM THE CHIEF JUSTICE AND THE PRESIDENT OF THE BAR

To:

From: Rodney.A.Maile@courts.hawaii.gov

Sent: June 25, 2013

Subject: Joint Email From Chief Justice Recktenwald and HSBA President Wagnild Re Judicial Evaluations

Dear Attorney:

Thi	s is a joint email from Chief Justice Mark E. Recktenwald and HSBA President Craig P.
Wagnild.	The Judiciary is conducting an online evaluation of Circuit Court Judges,,
,	

The Judiciary and the HSBA encourage all members to participate in the evaluation process. If an insufficient number of evaluations for a particular judge are received, then that judge will not be evaluated. An independent consultant has determined that at least eighteen evaluations must be submitted in order for a judge to receive a reliable and accurate evaluation report.

While this online judicial evaluation differs from the HSBA's judicial evaluation survey, both programs are designed to give you the opportunity to provide meaningful input concerning individual judges. Judges are receptive to receiving your comments, suggestions, and feedback. Your evaluations serve to enhance judicial performance and improve the judicial skills and techniques of Hawai'i's judges.

Please access [*link to questionnaire*] to commence your judicial evaluations. The link is unique to your email address, so please do not forward this email. You may exit and later return to the evaluations simply by clicking this link. The judicial evaluations will remain accessible to you until July 19, 2013.

To ensure security and confidentiality, the evaluation process is conducted by SurveyMonkey. It is administered by eHawaii.gov, which is independent of the Judiciary and the HSBA. Only composite results are transmitted to the Judiciary.

The evaluation is designed to obtain fair assessments from <u>attorneys who have actually appeared before the evaluated judge</u>. Please ensure that your evaluation is based solely on your direct experience and not obtained through hearsay or through other means.

If you did not appear before a judge, enter that option after selecting the judge's name. Also, if you do not wish to participate in future judicial evaluations, please select [link to opt out], and you will be removed from this mailing list.

Thank you for your consideration. Click <a href="http://www.courts.state.hi.us/courts/performance">http://www.courts.state.hi.us/courts/performance</a> review/judge evaluations faqs.html for a list of Frequently Asked Questions. For other questions, please contact Michael Oki at (808)539-4870.

We understand that anonymity is important. However, the more specific the input, the more useful it will be for the judge. Constructive comments that explain why a judge is viewed positively or negatively will assist the judge more than broad statements that a judge is good or not good. Please be advised that your comments will be forwarded to the Chief Justice. If your comments relate to a case that is on appeal, you should exercise caution in your remarks. # APPENDIX D REMINDER EMAIL TO ATTORNEYS

Bcc:

From: Rodney.A.Maile@courts.state.hi.us

Sent: July 2, 2013

Subject: Circuit Court Judges' Evaluation

Dear Attorney:

The Judiciary and the Hawaii State Bar Association recently sent you an email regarding the evaluation of Circuit Court judges. We would like to ask you for your assistance by completing the questionnaire if you have appeared before one or more of the judges identified in the questionnaire. If you are not in a position to evaluate a judge, but another attorney in your office is, would you please forward this email to that attorney?

The Judicial Performance Program is an important part of the Judiciary's ongoing efforts to better serve those who deal with the judicial system. Because of the statistical requirements of our evaluation process, each judge undergoing evaluation needs to have at least eighteen completed questionnaires submitted. Consequently, we will not be able to complete the evaluation of any judge who does not receive at least eighteen completed questionnaires during the evaluation period.

We thank you very much for your assistance in this process, and if you have already completed the questionnaire, we greatly appreciate your participation.

Rodney A. Maile Administrative Director of the Courts The Judiciary — State of Hawai'i
