SCWC-12-0000642

IN THE SUPREME COURT OF THE STATE OF HAWAI'I

---

STATE OF HAWAI'I,  
Respondent/Plaintiff-Appellee,

vs.

CRAIG A. GOMEZ,  
Petitioner/Defendant-Appellant.

---

CERTIORARI TO THE INTERMEDIATE COURT OF APPEALS  
(CAAP-12-0000642; CASE NO. 1DTC-12-040907)

SUMMARY DISPOSITION ORDER

(By: Recktenwald, C.J., Nakayama, McKenna, Pollack, and Wilson, JJ.)

Petitioner/Defendant-Appellant Craig A. Gomez seeks review of the Intermediate Court of Appeals' (ICA) April 13, 2015 Judgment on Appeal, entered pursuant to its February 27, 2015 Summary Disposition Order, which vacated the District Court of the First Circuit's (district court) June 20, 2012 Judgment

and remanded the case for a new trial.<sup>1</sup> The district court found Gomez guilty of Operating a Vehicle After License and Privilege Have Been Suspended or Revoked for Operating a Vehicle Under the Influence of an Intoxicant (OVLPSR-OVUII), in violation of Hawai'i Revised Statutes § 291E-62 (2007 & Supp. 2010).

On certiorari, Gomez contends, inter alia, that the ICA erred in holding that the district court properly permitted the State to amend the charge against Gomez to allege the required mens rea for the offense. Gomez argues that the defective charge rendered the district court without jurisdiction over the case and, therefore, without jurisdiction to permit the State to amend the charge. We recently held in State v. Schwartz that "the failure of a charging instrument to allege an element of an offense does not constitute a jurisdictional defect that fails to confer subject-matter jurisdiction to the district court." State v. Schwartz, No. SCWC-10-0000199, 2015 WL 7370086, at \*21 (Haw. Nov. 19, 2015). Accordingly, the ICA correctly concluded that the district court properly permitted the State to amend the charge.

We further conclude that Gomez's remaining claims lack merit.

---

<sup>1</sup> The ICA vacated the district court judgment and remanded the case for a new trial based on the district court's apparent erroneous reliance on a judgment of a prior conviction, filed January 24, 2012, in finding that Gomez's license was revoked at the time of the charged offense, which resulted in "uncertainty over whether the district court would have made the same finding based on other properly admitted evidence."

IT IS HEREBY ORDERED that the ICA's Judgment on Appeal  
is affirmed.

DATED: Honolulu, Hawai'i, January 11, 2016.
