

Kona Judiciary Complex Fact Sheet

- The new courthouse is slated for a 10-acre parcel located across Makala Boulevard from the Makalapua Center on the north side of Kailua-Kona.
- The design includes 290+ parking stalls, 5+ courtrooms, conference rooms, law library, self-help center and area for staff (with space for future expansion or courtroom additions).
- The goal of the design team was to keep this building's architecture and character consistent with the West Hawaii community, with interior design reflecting local culture, landscape and values.
- The building is also designed to be water, energy and environmentally efficient and sustainable.
- The EIS has been completed.
- The total expected construction cost of the Kona Judiciary Complex is \$90 million. The Judiciary is grateful for the appropriations the legislature has committed thus far to fund the Kona Judiciary Complex, and the Judiciary will be seeking the remaining funds needed during the 2015 legislative session.
