

THE JUDICIARY, STATE OF HAWAII
NOTICE OF AMENDMENT TO EXEMPTION
FROM HRS CHAPTER 103D

TO: Chief Procurement Officer

FROM: Human Resources
Name of Requesting Division/Program

Pursuant to HRS § 103D -102 (b)(4) and HAR Chapter 3-120, The Judiciary requests to amend an exemption for the following:

1. Describe the goods, services or construction:

To provide sick call examination services to the Judiciary, State of Hawaii. Services shall consist of medical examinations for an employee whom misses work due to illness and/or injury. Examinations are to determine whether the employee is able to perform usual work duties which will help reduce unauthorized absenteeism.

2. Vendor/Contractor/Service Provider:

Straub Clinic and Hospital
888 S. King Street
Honolulu, HI 96813

3. Amount of Request:

\$10,000

4. Term of Contract From: 05/01/2017 To: 04/30/2018

5. Prior Judiciary Procurement Exemption No.
(if applicable):

JE17-51

6. Explain in detail why it is not practicable or not advantageous for the Program/Division to procure by competitive means:

It is not practicable or not advantageous to procure by competitive means because Straub offers more accessible locations throughout different regions of Oahu. Straub has four (4) locations on Oahu located in Pearl City, Kailua, Kapolei and Waikiki. Straub provides multiple locations throughout Oahu and provides clinic hours on weekends, allowing services seven (7) days a week, to include a clinic in close proximity to the Detention Facility in Kapolei, which would greatly benefit the Judiciary due to the high utilization rate.

7. Explain in detail, the process that will be or was utilized in selecting the vendor/contractor/service provider:

Straub was chosen based on a couple factors which benefit the Judiciary: 1) Straub facilities (location of clinics and offices) are located in different regions of Oahu which provides more accessibility to our employees, and 2) Straub offers extended hours of operations which are necessary to the purpose and nature of the current program. As such, Straub was the more suitable vendor to insure the Judiciary meets the program requirements. With more accessibility, The Judiciary would greatly benefit from the services Straub provides and will allow for a more efficient work environment.

As an employer required program, the Judiciary must incur the cost for medical examinations; therefore, sending employees to the emergency room would greatly increase the cost to the Judiciary. Hence, the Judiciary would significantly benefit from Straub facilities and expertise.

8. Identify the primary responsible staff person(s) conducting and managing this procurement. (Appropriate delegated procurement authority and completion of mandatory training required).
