

INSTRUCTIONS FOR UNCONTESTED PATERNITY WITHOUT A HEARING

PLEASE NOTE: Rule 9 of the Hawaii Court Record Rules; Parties' Responsibility to Protect Personal Information and Account Numbers. Effective September 1, 2012

Paternity proceedings legally establish who, is the father of a child. If the parents of a child were not married when the child is born, Paternity needs to be established before the father has any legal rights to the child. Once Paternity is established, child support, custody, and visitation for the child can be determined.

If the child was born after July 1, 1999, Paternity may have been established through a *Voluntary Establishment of Paternity (VEP) by Parents* form provided by the hospital and signed by both parents. If this form was signed, and you have custody, visitation and/or child support issues to resolve, please ask for the VEP packet.

If the child was born before July 1, 1999 or the mother of the child was married and the natural (biological) father of the child is not her husband, Paternity must be established. This packet includes the forms necessary to establish Paternity, and to get orders for custody, child support and visitation. **These instructions and forms may be used ONLY IF the Paternity is uncontested (all parties are in total agreement of all issues).**

Legal Aid brochures explaining *Paternity* and *Child Custody* are available at the Service Center.

If you request it in writing, it takes 4-6 weeks. On Maui, the Department of Health is located in the State Building, 54 High Street, 3rd Floor, Wailuku, Hawai'i 96793, and is open from 7:45 a.m. to 4:30 p.m. Monday - Friday. 3. Paternity Financial Information Sheet (Petitioner) (Original + 1 copy*)

* *The amount of copies that should be made depend on the number of parties involved. The suggestion above in parentheses apply when there are two parties (one Petitioner and one Respondent). If there are multiple Respondents, increase the number of copies accordingly. Please also make sure that have enough certified copies.*

You need to call the Family Court Clerk at (808) 244-2700 to get a hearing date. A Family Court Clerk or Judge will sign as necessary. Your court date will be scheduled for about a month or more after filing. Please note that if the Paternity is uncontested (all parties agree to all issues), and all necessary paperwork is filed before the hearing date, then you will not have to go to court.

STEP 2: Serve the parties with the Petition and Summons

You must properly give ("serve") the other parent(s) a certified copy of the documents. If there is a third-party caretaker named as a Respondent, she/he must also be served.

A. Respondent(s):

If Respondent is in the State: Someone (other than you) 18 years or older must hand-deliver the Petition + attachments to the Respondent(s). Either hire a civil process agent or get a friend or relative to serve him/her. The civil process agent or person serving must fill out and sign the *Proof of Service* document, which tells the court the Respondent was served. If you hire a process server, give the process server a blank copy of the *Proof of Service* document to complete. If you don't hire a process server, the person serving must complete a *Proof of Service* document. File the original with the filing clerks.

If Respondent is on the mainland, or in another country: Ask the court for permission to serve by mail (*Motion for Service by Mail and Affidavit; Order for Service by Mail*). Once you get permission, send the Petition + attachments, along with a file-stamped copy of the Petition and Motion to the Respondent by registered or certified mail, return receipt requested, restricted delivery to the addressee only.

Keep the receipt from the Post Office and wait for the return receipt card to come back, signed by the Respondent, indicating that the Respondent received the documents. Complete the *Statement of Mailing* and **tape** both Post Office receipts to the second page, then file it with the filing clerks.
