<p>1. Describe the goods, services or construction: Vendor provides services to maintain video surveillance and fire alarm equipment to adequately sustain the court operations at Lahaina District Court.</p>	
<p>2. Vendor/Contractor/Service Provider: Honeywell International, Inc.</p>	<p>3. Amount of Request: \$32,523.64</p>
<p>4. Term of Contract From: 05/15/2018 To: 05/14/2019</p>	<p>5. Prior Judiciary Procurement Exemption No. (if applicable): JE17-46</p>
<p>6. Explain in detail why it is not practicable or not advantageous for the Program/Division to procure by competitive means: It is not practicable or not advantageous for the Program/Division to procure by competitive means Honeywell furnished and installed all of the original fire alarm and surveillance system at Lahaina District Court. The primary operating system (hardware and software) was manufactured by Honeywell, and they have the only certified technicians that are factory trained to exclusively work on this system. Honeywell holds proprietary rights to any software upgrades. As such, original manufacture has the most expertise of the system and would provide the best quality of service to The Judiciary.</p>	
<p>7. Explain in detail, the process that will be or was utilized in selecting the vendor/contractor/service provider: Contractor/vendor had been selected in a prior Administration. Selection of Honeywell as the contractor to maintain the system at Lahaina District Court is based on several factors. The system is primarily a Honeywell operating system, they have the expertise and experience in maintaining the system, and any upgrades can only be provided by them.</p>	

8. Identify the primary responsible staff person(s) conducting and managing this procurement. (Appropriate delegated procurement authority and completion of mandatory training required).
