It is not practicable or advantageous to procure by competitive means because Justice AV Solutions (JAVS) is the current vendor for our court recording systems. The projectors, cameras, touch screen and microphones were all components of the original installed systems which are reaching their end of life. All components are integrated into a central controller in each courtroom, the programming is proprietary to JAVS> JAVS will need to program the controller and recalibrate the audio/video recording levels once the equipment is installed. Original quote for the microphones recommend were not workable with the existing system. Actual microphones installed cost an additional \$1,750.01.			
JAVS has excellent qualifications including years of experience of furnis documentation systems. Additionally, JAVS has contracted with the Ju resulted in positive outcomes for the Judiciary.
