(8) INACTIVE STATUS. An attorney who is in compliance with this [r]Rule, but who has retired or is no longer engaged in practice in this jurisdiction, or who is suffering from a medical condition, may elect inactive status and discontinue the practice of law in Hawai‘i. When applying for inactive status pursuant to this Rule, the attorney shall aver or declare that the attorney is no longer counsel in any pending matter. The Bar shall not honor a voluntary election to inactive status for medical reasons unless the election is supported by a physician’s affidavit or declaration that the attorney is experiencing a serious medical condition and the attorney’s affidavit or declaration that the election is due to medical reasons and not solely for purposes of the exemption provided by paragraph (6) above. Upon the filing and recognition of an election to inactive status, together with a processing fee in such amount as the Board of Directors shall determine from time to time, the attorney shall be placed on inactive status and shall no longer be eligible to practice law. An attorney on inactive status shall be carried on the rolls of the Bar in such inactive classification(s) as may be provided in the bylaws of the Bar and, except as provided by paragraph (6), shall be required to pay such dues or fees, if any, as the Board of Directors of the Bar may prescribe from time to time or as the supreme court may direct in accordance with the Rules of the Supreme Court of the State of Hawai‘i. The Bar shall advise the Disciplinary Board and the clerk of this court of the names of all attorneys who assume inactive status. Attorneys on inactive status shall remain subject to the jurisdiction of this court, the Disciplinary Board, the Lawyers' Fund for Client Protection, the Attorneys and Judges Assistance Program and the Bar.
