

**THE JUDICIARY, STATE OF HAWAII
NOTICE OF TO EXEMPTION
FROM HRS CHAPTER 103D**

TO: Chief Procurement Officer

FROM: ICRD/Children's Justice Centers of Hawaii
Name of Requesting Division/Program

Pursuant to HRS § 103D ---102 (b)(4) and HAR Chapter 3---120, The Judiciary requests to amend an exemption for the following:

<p>1. Describe the goods, services or construction: One (1) year Remote Technical Services maintenance agreement for all nine (9) CJC Hawaii systems island wide.</p>	
<p>2. Vendor/Contractor/Service Provider: Word Systems, Inc. (iRecord)</p>	<p>3. Amount of Request: \$7,417.80 plus applicable taxes</p>
<p>4. Term of Contract From: 09/01/2019 To: 08/31/2020</p>	<p>5. Prior Judiciary Procurement Exemption No. (if applicable): JE19-34</p>
<p>6. Explain in detail why it is not practicable or not advantageous for the Program/Division to procure by competitive means: It is not practicable or not advantageous for the Program/Division to procure by competitive means because the original digital interview recording management systems, including both hardware and software were install based on a pilot project which ran for one (1) month. Upon the successful pilot project, Program/Division was satisfied and moved forward with all nine (9) CJC locations statewide. An IFB procurement process was initiated and completed in calendar year 2014, resulting awarding a contract to Precise Digital. Subsequent to installation of this system at the CJC's statewide, major problems have occurred with no permanent resolution. This includes problems recording child abuse victim interviews and making copies of the DVD interviews. The problems have major negative impact on cases, adding more trauma to victims and compromising access to justice for parties. Word Systems, Inc. is the only provider able to maintain and repair the current system recently installed at the CJC Hawaii Statewide locations. Word Systems, Inc. would be the only suitable vendor with the proper training and expertise able to service and maintain both the hardware and software of the system and will insure the system works properly.</p>	
<p>7. Explain in detail, the process that will be or was utilized in selecting the vendor/contractor/service provider: After a successful pilot program and along with the additional nine (9) systems for CJC Hawaii Statewide locations, Word Systems, Inc. has proven beyond The Judiciary's expectations to provide outstanding service. Word Systems, Inc. is the only provider able to maintain and repair the current system recently installed at the CJC Hawaii Statewide locations. Word Systems, Inc. would be the only suitable vendor with the proper training and expertise able to service and maintain both the hardware and software of the system and will insure the system works properly. It is vital to maintain the high level of service and quality of both the hardware and software, as such Word Systems, Inc. will be able to provide such quality due knowledge of the system and understanding of how critical the systems are to CJC Hawaii purpose.</p>
