ACTIVATE your new JEFS User ID

Once you register for JEFS access, your new JEFS ID still needs to be ACTIVATED. If not activated, you will only see this one option when you log in:

Please contact your Organization Administrator for help to ACTIVATE your new JEFS (WEBU) ID. If you do not have an Organization Administration, contact the JIMS Help Line until 12/6/19. After 12/6/19, contact your Circuit Help Line. Once activated, you will see these options:
