# In the Matter of the DISCIPLINARY BOARD OF THE HAWAI'I SUPREME COURT

ORDER APPROVING THE BUDGET OF THE DISCIPLINARY
BOARD OF THE HAWAI'I SUPREME COURT FOR CALENDAR YEAR 2020
(By: Recktenwald, C.J., Nakayama, McKenna, Pollack, and Wilson, JJ.)

Upon consideration of the 2020 proposed budget submitted by the Disciplinary Board of the Hawai'i Supreme Court on October 31, 2019, and the Hawai'i State Bar Association's letter dated September 30, 2019, wherein the HSBA concurs with the 2020 proposed Disciplinary Board budget, it appears the Disciplinary Board seeks approval of a budget with projected revenues of \$1,576,775 and projected expenditures of \$2,034,905, and the Disciplinary Board has reserves sufficient to cover the deficit. Therefore,

IT IS HEREBY ORDERED, pursuant to Rule 2.4(e)(8) of the Rules of the Supreme Court of the State of Hawai'i, that the

Disciplinary Board's proposed budget for calendar year 2020, a copy of which is attached hereto, is approved.

DATED: Honolulu, Hawai'i, November 26, 2019.

#### NOTES II.

### A. Lawyers' Fund for Client Protection [Line 4]

ODC currently provides administrative and professional support to the Lawyers' Fund in the form of one administrative staff member, one Disciplinary Investigator for processing Lawyers' Fund claims, the Deputy Chief Disciplinary Counsel, and the Chief Disciplinary Counsel who serves as the Fund Administrator. The Lawyers' Fund is also housed in the ODC offices, which includes meeting space and equipment. A recent cost analysis performed by ODC reflects that the annual costs to ODC for these services are approximately \$145,000.00 per year. In response to these costs, the Lawyers' Fund is increasing its contribution to ODC over three annual installments to \$5,000.00 to a total of \$100,000 per year beginning in 2021. For 2020, the Lawyers' Fund will provide \$95,000.00 in funding to the Disciplinary Board.

#### B. ODC Salaries [Line 21]

The salaries are based upon the following:

- 1 Chief Disciplinary Counsel
- 1 Disciplinary Board Administrative Director
- 1 Manager Office Administration
- 1 Deputy Chief Disciplinary Counsel
- 2 Assistant Disciplinary Counsel
- 4 Investigators
- 1 Administrative Specialist
- 1 Legal Secretary/Receptionist

The proposed 2020 salary expense for ODC attorneys, Disciplinary Investigators, and administrative staff reflects the return to full staffing and a 5% overall increase. The increase will be used to both provide merit increases, and make employment at ODC more attractive by offering newly hired attorneys and investigators salaries that are closer to current market rates.

Based on the 2017 National Organization of Bar Counsel Salary Survey, ODC attorneys and Disciplinary Investigators are generally paid less than the average salary for the same positions in comparable jurisdictions, notwithstanding the higher cost of living in Hawaii.

In a recent Star Advertiser article, the "low-income" threshold in Honolulu is now \$67,500.00.

#### C. Professional Contract Services and Board Counsel

#### a. For the Disciplinary Board [Line 23]

This category includes the purchase of outside legal services as needed from an employment attorney and tax attorney. The Board Counsel is also an outside attorney, who provides legal research and advice to the Board in its adjudicatory and administrative roles. All of the above offer discounted rates to the Board.

#### b. For the Office of Disciplinary Counsel [Line 24]

ODC to contract with outside lawyers on an hourly basis for on an overload basis (such as Supreme Court briefing), or for outer-island support where anticipated travel expense of Honolulu staff exceeds the utility of the needed services.

#### F. Travel and Subsistence-Out of State [Line 55 and 56]

ODC attorneys have no opportunities in Hawaii for in-person training specific to their area of law and duties. The National Organization of Bar Counsel ("NOBC") provides specialized training on attorney discipline, and its semiannual and annual meetings focus on case law and procedure unique to the disciplinary system. In addition, ODC attorneys benefit from learning about national trends in this singular area of the law, as well as having networking opportunities which can provide leads to effective and lower-cost resources for ODC's attorneys and investigators.

The Organization of Bar Investigators ("OBI") provides specialized training for disciplinary investigators whose primary duties involve investigating and participating in the regulation of the legal profession. The annual OBI meeting provides a range of information from locating witnesses, software needed to track IOLTA cases, to interviewing techniques.

For these reasons, ODC plans to continue sending staff attorneys to NOBC meetings, and an investigator to OBI, though at a reduced level. Those attorneys and investigator are expected to provide their ODC colleagues with in-service training upon their return.

As part of its \$95,000.00 administration contract for 2020, the Lawyers' Fund pays for one (1) trip to attend the annual meeting of the National Client Protection Organization (NCPO). For budgeting purposes, the NCPO trip is shown as an expense item.

The Disciplinary Board pays for one member to attend the National Council of Lawyer Disciplinary Boards meeting. NCLDB serves as an information clearinghouse for disciplinary boards nationwide.

#### G. Publication/Subscriptions [Line 60]

 $\hat{i}$ 

This category includes annual subscriptions to the Star-Advertiser, Pacific Business News, The National Law Journal, and ABA publications.

#### H. Office Rent-City Financial Tower [Line 61]

The full annual rate for 2020, with Operating Expenses, will be in the range of approximately  $\$7,387.42 \times 11 \text{ months} = \$7,635.32$  for December 2020 = \$85,079.28 CAM = \$173,976.22.

#### I. Repair and Maintenance

#### 1. Leasing of Equipment [Line 62]

ODC will continue to lease selected office equipment, including the copies (which also serve as high volume scanners), and a postage meter, as this is a cost-effective method of financing and periodically upgrading them.

#### 2. Office [Line 63]

This category includes cost of general repair within the office, not covered by building management, such as plumbing.

#### J. Insurance

ODC will no longer carry Professional Liability Insurance

#### K. Membership in Professional Organizations

NOBC is the National Organization of Bar Counsel, which is the only organization that provides educational seminars and consulting on topics/issues specific to attorney discipline.

NCLDB is the National Council of Lawyer Disciplinary Boards, which is the Board's counterpart to the NOBC.

OBI is the Organization of Bar Investigators, which provides information sharing and educational opportunities for ODC's Disciplinary Investigators.

ABA/CPR is the American Bar Association Center for Professional Responsibility, which provides resource materials (including articles, opinions, and case law) on ethics and discipline.

Hawaii Employers' Council (HEC) provides support and guidance to employers on personnel issues. The membership includes a hotline for questions about discipline, discrimination, bullying, and leaves of absence. HEC is also a great resource for staff training, from how to be a manager, to first aid and CPR.

#### L. Computer Fees [Line 76]

This category includes the cost of subscriptions to Time Matters-Lexis, LexisNexis Research, Hawaii Information Service, Pacer, Dropbox, Microsoft Office 365, Adobe Acrobat Pro, Quickbooks, and internet service. The actual cost in 2019 is higher than budgeted due to an upgrade to the DB/ODC website by Gum Design, LLC. Upgrades to the website will continue in 2020.

#### M. Maintenance for Upgrade to Data Management System [Line 77]

Time Matters, the new data management system was installed in 2018. \$6,000 is budgeted for annual maintenance.

#### N. Trusteeship Costs

Under Supreme Court Rule 2.20, trustees are appointed by the Court where an attorney dies, is disabled, is suspended or disbarred, or abandons his or her law practice, and no other responsible party can be found to wind down the practice. ODC is charged with initiating these proceedings and holding remaining client files once the trustee is discharged. Often, ODC's attorneys are appointed as trustees.

There are 30 open trusteeships. There are two more being opened in the next few weeks. While some are being handled by outside trustees, all are under ODC's oversight. It is anticipated that Trusteeship costs will continue to rise in 2020 as more attorneys cease practicing voluntarily, due to discipline, or by reason of disability or death.

ODC attorneys manage an active caseload (which exceeds the national average in other state bar disciplinary agencies), serve on committees, provide educational presentations to the bar, and offer ethics guidance to bar members. The increasing time and resources they will have to devote to trusteeships distracts them from their primary mission of enforcing ethics violations. Given the continuing need for trusteeships in 2020, ODC will likely face increased pressure to retain outside trustees to allow ODC attorneys to timely investigate and prosecute cases.

#### 1. Trusteeship Costs [Line 80]

Costs for postage, shipping, storage, postage, together with the publication of notices, is estimated at approximately \$60,000.00.

There are currently 8 trusteeships in which ODC pays the cost of storage. Out of the 8, the Garbett trusteeship and the Ueoka trusteeship rent out two storage units each.

In 2019, the estates of deceased attorneys Laurence Scott, Thomas Dunn, and Robert Garbett reimbursed the Board for some of the costs spent on trustees' fees and costs for storage and distribution of client files. These unexpected payments lowered the amount in this category. In 2020, the Board cannot predict if any other reimbursements from any of the other trusteeships will be made.

#### 2. Contract Trustee [Line 81]

The Board expects to pay \$100,000.00 for the services of contract Trustees in 2020. There are currently 9 active paid trusteeships: William Gilardy, Stuart Ing, Iris Okawa, Lionel Riley, Meyer Ueoka, Lisa Volquardsen, Sandra Song, Stephanie St. John, and Richard Miyao. In one of the pending trusteeships alone, the trustee has to store, administer, and inventory over 500 boxes of client files as well as claims for IOLTA funds owed to clients.

The Court is directing the contract trustees to assert proof of claims in cases where probate has been opened on behalf of the deceased attorney's estate. In trusteeships where probate has been opened, this will enhance the prospects of recovering trustee fees and costs incurred by the Board as well as potential Lawyer's Fund for Client Protection claims against deceased attorneys to protect affected clients.

In 2019, as noted under Trusteeship Costs [Line 80], the estates of deceased attorneys Laurence Scott, Thomas Dunn, and Robert Garbett reimbursed the Board for expenses. In 2020, the Board cannot predict if any other reimbursements from any of the other trusteeships will be made.

#### O. Miscellaneous

This category includes DB meeting expenses, and other unexpected, minor expenses.

# P. Computer <u>Hardware</u> [Line 92]

In 2020, \$1,000.00 is budgeted for scanners or any other computer items that will need to be replaced.
