Your TRO will not take effect until it is granted and filed by the court. In addition, the TRO is not enforceable until it is properly served upon the respondent. Once the TRO is granted and filed, it is your responsibility to ensure that the documents are provided to the police department for proper service upon the respondent. Please take these steps if the respondent resides on the same island:

You will then need to make sure that the proof of service document has been filed with the court after the respondent has been served.
