

STATE OF HAWAII FAMILY COURT OF THE CIRCUIT	<b>EXCEPTIONAL CIRCUMSTANCES FORM</b> <b>to be attached to</b> CHILD SUPPORT GUIDELINES WORKSHEET (CSGW)	CASE NUMBER:
---	--	--------------

*This form requires information from your completed CSGW, and you must mark it as an attachment at the bottom of the CSGW.*

Payor Parent: \_\_\_\_\_ No. of children in this case: 0 CS amount from Line 14: \$0

**After considering the best interests of a child(ren), a deviation is requested because application of the Guidelines amount would be unjust or inappropriate for the following reasons:**

**EXCEPTION REQUESTED BECAUSE CALCULATED CHILD SUPPORT EXCEEDS 70% OF NET INCOME**

Payor's total monthly child support obligation as calculated on Line 14 of the CSGW (\_\_\_\_\_) exceeds the minimum support amount of \$91 per child and is greater than 70% of Payor's net income from the Table of Incomes (\_\_\_\_\_).

I request a finding that an exceptional circumstance exists and that Payor's total monthly child support obligation on Line 14 of the CSGW be limited to either 70% of Payor's net income or \$91 per child, whichever is greater. Using the higher of the two numbers the total support for the \_\_\_\_ children in this case would be \_\_\_\_\_ per month. After deductions for monthly child care expenses listed on Line 15 (\_\_\_\_\_) and health insurance costs listed on Line 16 (\_\_\_\_\_), which are paid directly by Payor, the remaining child support obligation of Payor will be \_\_\_\_\_ per month

**EXCEPTION REQUESTED BECAUSE PAYOR SUPPORTS ADDITIONAL LEGAL CHILD(REN)**

A) Payor's total monthly child support obligation as calculated on Line 14 of the CSGW (\_\_\_\_\_), divided by the number of children to be supported on Line 4 of the CSGW (\_\_\_\_), equals \_\_\_\_\_ per child.

Is this amount per child greater than \$91 per child (the minimum support amount)? Yes \_\_\_\_ No \_\_\_\_

B) Payor supports 0 additional legal child(ren). If all of Payor's Net Income on Line 2 of the CSGW (\$0) is divided by the total number of children Payor is required to support (0), each child would receive 0.

Is this amount per child less than the amount per child calculated on line A) above? Yes \_\_\_\_ No \_\_\_\_

If the answers to both questions above is 'Yes,' you may request that the Court make the following finding:

Due to Payor's obligation to support (and Payor's actual support of) additional children, I request a finding that an exceptional circumstance exists and that the support per child in this case be limited to the greater of the amount per child shown in line B) above, \_\_\_\_\_, or the State minimum per child of \$91. Using the higher of the two numbers the total support for the \_\_\_\_ children in this case would be \_\_\_\_\_ per month.

After deductions for monthly child care expense listed on Line 15 (\_\_\_\_\_) and health insurance/cash medical cost listed on Line 16 (\_\_\_\_\_), which are paid directly by Payor, the remaining child support obligation of Payor will be \_\_\_\_\_ per month.

**EXCEPTION REQUESTED DUE TO OTHER CIRCUMSTANCES**

**SUMMARY OF CHILD SUPPORT PAYMENTS (IF EXCEPTION IS GRANTED)**

\_\_\_\_ Parent (A) \_\_\_\_ Parent (B) pays monthly child support of \_\_\_\_\_ to other parent, \_\_\_\_\_ per child per mo.

\_\_\_\_ Parent (A) \_\_\_\_ Parent (B) pays health insurance/cash medical. \_\_\_\_ Parent (A) \_\_\_\_ Parent (B) pays child care expense.
