<p>6. Explain in detail why it is not practicable or not advantageous for the Program/Division to procure by competitive means: It is not practicable or not advantageous for the Program/Division to procure by competitive means with regards to repairs and maintenance of State-owned dumbwaiter, escalators and elevators and whether this service should be competitively bid or handled manufacturers' maintenance, extensive investigation by DAGS Central Services Division has determine that servicing by manufacturers affords the best liability protection and value for the State. The basis for this includes: a) liability issues, accountability through single sole manufacturer to protect the Judiciary exposure to liability; b) cost and parts availability, as the manufacturer has access to original parts, specifications, parts and engineering support to perform repairs and maintenance work as being the original equipment manufacturer (OEM); c) manufacturer's factory-trained technicians who have technical expertise and access to proper parts.</p>	
<p>7. Explain in detail, the process that will be or was utilized in selecting the vendor/contractor/service provider: OTIS Elevator Company is the originally installer of the elevator system and based on the explanation in item 6 above, was selected and has provided the maintenance services since the elevator was first placed into service at Kauikeaouli Hale.</p>	

8. Identify the primary responsible staff person(s) conducting and managing this procurement. (Appropriate delegated procurement authority and completion of mandatory training required).

*Point of contact (Place asterisk after name of person to contact for additional information).
