

**THE JUDICIARY, STATE OF HAWAII
NOTICE OF REQUEST FOR EXEMPTION
FROM HRS CHAPTER 103D**

TO: Chief Procurement Officer

FROM: First Circuit/Office of Project Management
Name of Requesting Division/Program

Pursuant to HRS § 103D -102 (b)(4) and HAR Chapter 3-120, The Judiciary requests a procurement exemption for the following:

<p>1. Describe the goods, services or construction: Security Camera System expansion for EWA District Court To consist of the following items: 5@ MiniDome, 4MP, Cameras, 2.8 – 12 mm Len, PoE, Vandal Resistant 5@ Bases for Exterior Mounted MiniDome 5@ VideoEdge NVR Add-on 1 IP Cam License Miscellaneous Infrastructure, e.g. cable, Jboxes, connectors Installation and set-up</p>	
<p>2. Vendor/Contractor/Service Provider: Security Resources Pacific, Inc. 99-1191 Iwaena Street, #A Aiea, Hawaii 96701-3259</p>	<p>3. Amount of Request: \$11,070.44</p>
<p>4. Term of Contract From: 02/25/2021 To: 03/30/2021</p>	<p>5. Prior Judiciary Procurement Exemption No. (if applicable):</p>
<p>6. Explain in detail why it is not practicable or not advantageous for the Program/Division to procure by competitive means: Security Resources Pacific is our current installer for these proprietary camera security systems and our building access systems. They are certified to do this installation and maintain this equipment. It is not practicable or advantageous to procure this equipment by competitive means because this equipment and software should integrate with the existing system and be maintained by the same vendor. Integrating this system with existing equipment will allow these cameras to be viewed over the Judiciary networks with after-hour monitoring by the security personnel at the State Capitol. Whereas a competitively selected installer would be unlikely to understand the technical nuances of connecting to, and integrating with, our existing systems. This is also a time-sensitive request because the homeless living near the courthouse are actively setting fires and vandalizing the site. The exterior of the building has been “scorched” and damaged by recent fires and the building is being “tagged” with graffiti. This situation is a threat to the building and a danger to staff and we need to quickly remedy this problem.</p>	
<p>7. Explain in detail, the process that will be or was utilized in selecting the vendor/contractor/service provider: Since Security Resources Pacific, Inc. has previously installed camera equipment for the Judiciary and currently maintains the maintenance contract; vendor will be asked to provide and install this new equipment and software in a manner identical to the camera equipment they have already installed for the Judiciary, and they will be asked to maintain this new equipment under their maintenance contract for the existing system.</p>	

8. Identify the primary responsible staff person(s) conducting and managing this procurement. (Appropriate delegated procurement authority and completion of mandatory training required).
