

**THE JUDICIARY, STATE OF HAWAII**  
**NOTICE OF REQUEST TO AMEND AN EXEMPTION**  
**FROM HRS CHAPTER 103D CONTRACT**

TO: Chief Procurement Officer

FROM: Office of the Administrative Director/ITSD/Applications Division

(Name of Requesting Division/Program)

*Pursuant to HRS § 103D -102 (b)(4) and HAR Chapter 3-120, The Judiciary requests to amend an exempt contract as follows:*

1. Exemption Reference (JE) number:

JE21-41

2. Vendor/Contractor/Service Provider Name:

Capgemini America, Inc.

3. Describe the goods and/or services:

This exemption is for Capgemini America Inc. to provide technical consulting services for the Judiciary's existing case management system (JIMS) to migrate the Family Court Civil case type from the mainframe system HAJIS-Project: Family Court Civil Implementation of JIMS. Also, provide production support services for JIMS.

4. Explain in detail what is being amended:

Amending services to modify the testing scripts suite of the automated system Micro Focus Unified Functional Testing (UFT) used for regression testing and daily system checks. JIMS currently has a series to automated testing scenarios that are run daily as well as prior to any new code deployment to ensure that the system is working correctly. These testing scripts were developed on an older version of UFT and need to be upgraded to work on the newer version of UFT.

5. Amended contract price for this request:

\$34,310

6. Explain in detail why the amendment(s) are necessary:

The current UFT version is currently working on an older version of Windows Server which is nearing its end of support which is not compatible with the older UFT version. In order to remain current with supported software and operating systems and to continue to receive security patches, Windows Server and UFT need to be upgraded; however, the majority of the existing testing scripts would not work in the upgraded version without modifying them.

7. Identify the primary responsible staff person(s) conducting and managing this procurement. (Appropriate delegated procurement authority and completion of mandatory training required).

\*Point of contact (Place asterisk after name of person to contact for additional information).
