ORDER AMENDING RULE 10.17 OF THE
HAWAI‘I COURT RECORDS RULES

(By: Recktenwald, C.J., Nakayama, McKenna, Wilson, and Eddins, JJ.)

IT IS HEREBY ORDERED that Rule 10.17 of the Hawai‘i Court Records Rules is amended, effective upon entry of this order, as follows (deleted material is bracketed and stricken; new material is underscored):

10.17. Electronic Court and ADLRO Records: Requests for Bulk or Discrete Data and Compiled Information.

(a) The Administrative Director may grant requests for bulk, discrete, or compiled information from accessible electronic court and ADLRO records or from confidential records, provided (1) the bulk or discrete data distribution, compiling of information, and/or transmission of data will not unreasonably interfere with the Judiciary’s operations and/or governmental functions, (2) the requestor pays all charges for programming the computers, linking systems, and transmitting the data, in addition to other reasonable costs identified by the Administrative Director, and (3) when required by law, access is approved by a court of competent jurisdiction. A requestor should not be granted direct access to any production computer system or data base in the usual course. The Administrative Director may take such actions as are necessary to protect the Judiciary’s computer systems, data bases, and web sites from automated data mining or other threats to the integrity of the systems.

(e) The Administrative Director shall require a requestor to pay reasonable charges to distribute bulk, discrete, or compiled information. A reasonable charge includes charges for programming the computers, linking systems, transmitting the data, and maintenance of the systems providing the data, as well as other costs attributable to the provision of the data in question to the requestor.
