TO: Chief Procurement Officer

FROM: THIRD JUDICIAL CIRCUIT

Name of Requesting Division/Program

Pursuant to HRS § 103D -102 (b)(4) and HAR Chapter 3-120, The Judiciary requests a procurement exemption for the following:

1. Describe the goods, services or construction:

Provide Time Machine Server to synchronize security camera at Kona courthouse.

2. Vendor/Contractor/Service Provider:

CML Security

3. Amount of Request:

\$10,468.84

4. Term of Contract From:

06/01/2022

To:

12/31/2022

5. Prior Judiciary Procurement Exemption No.
(if applicable):

6. Explain in detail why it is not practicable or not advantageous for the Program/Division to procure by competitive means:

CML is Judiciary's current maintenance vendor for the Kona courthouse security systems. The time machine server will be integrated into the existing system. Reliability and consistency are critical for security systems. Therefore, it is not practicable or not advantageous to procure by competitive means to avoid the uncertainties and complications of involving multiple vendors for the security system.

7. Explain in detail, the process that will be or was utilized in selecting the vendor/contractor/service provider:

CML is the Judiciary's current vendor and is performing satisfactorily as the maintenance and support contractor for Kona courthouse security systems. DAGS competitively procured and awarded a contract for the Kona courthouse security system. However, the vendor abandoned the job and therefore, DAGS engaged CML to continue services. Selecting another vendor to work with the system may create uncertainties and complications within the system.

8. Identify the primary responsible staff person(s) conducting and managing this procurement. (Appropriate delegated procurement authority and completion of mandatory training required).

*Point of contact (Place asterisk after name of person to contact for additional information).
