(if applicable):

6. Explain in detail why it is not practicable or not advantageous for the Program/Division to procure by competitive means:
It is not practicable or not advantageous for the Program/Division to procure by competitive means because the Keahuolu Kona Courthouse's ventilation and air conditioning machinery is controlled by a Metasys system manufactured by Johnson Controls. Johnson Controls has maintained the system satisfactorily during the it's warranty period. Competitors don't have JCI's experience and technical knowledge with respect to JCI Metasys control systems.

7. Explain in detail, the process that will be or was utilized in selecting the vendor/contractor/service provider:
Johnson Controls is best qualified to provide post warranty support because they manufactured Keahuolu's Metasys control system and are supporting it during its warranty period.
