

6. Explain in detail why the amendment(s) are necessary:

Judiciary has an existing contract with National Council of Juvenile and Family Court Judges(NCJFCJ) which was negotiated to conduct a statewide assessment (i.e. Baseline Assessment, Recommendation Implementation, and Improvement Assessment). NCJFCJ has a continuum of services to offer to Family Court. In addition, NCJFCJ is well aware of CIP expectations and have collaborated with other stakeholders. Continuing with NCJFCJ minimizes training of a new contractor with the Court system and Court Improvement Program(CIP) expectations.

7. Identify the primary responsible staff person(s) conducting and managing this procurement. (Appropriate delegated procurement authority and completion of mandatory training required).
