<p>6. Explain in detail why it is not practicable or not advantageous for the Program/Division to procure by competitive means:</p> <p>Investigation by DAGS Central Services Division has determined that servicing by the elevator manufacturer affords the best liability protection and value for the State. The basis for this includes: a) liability issues, accountability through single sole manufacturer to protect the Judiciary exposure to liability; b) cost and parts availability, as the manufacturer has access to original parts, specifications, parts and engineering support to perform repairs and maintenance work as being the original equipment manufacturer (OEM); c) manufacturer's factory-trained technicians who have technical expertise and access to proper parts.</p>	
<p>7. Explain in detail, the process that will be or was utilized in selecting the vendor/contractor/service provider:</p> <p>According to #6 above, selecting the manufacturer of the elevators and wheelchair lifts affords the best value to the State. TK Elevator was selected because they manufactured and installed the elevators and wheelchair lifts in the Hilo Courthouse.</p>	

8. Identify the primary responsible staff person(s) conducting and managing this procurement. (Appropriate delegated procurement authority and completion of mandatory training required).
