Chelsea K Kane Kona Judiciary 74-5451 Kamaka'eha Ave Kailua-Kona, HI 96740

Chelsea,

I am writing to give specific details regarding the Johnson Controls HVAC & Metasys PSA (Planned Service Agreement) for the HVAC & Energy Monitoring and Control Systems. The PSA scope of work is for the Johnson Controls HVAC equipment & Metasys control system that operates the Kona Judiciary HVAC (heating, ventilation, and air conditioning) system. Johnson Controls is the only vendor providing YORK equipment, software, and service for these systems.

Johnson Controls Metasys systems are highly technical. Because of their unique technical nature, we recommend the servicing of these controls to be performed by Johnson Controls. Johnson Controls Honolulu is the sole supplier of these equipment and systems. Service performed by non-Johnson Controls providers may not have access to all software updates and required products.

Johnson Controls has an office in Honolulu since 1961. We have local resources, factory support and corporate support in Hawaii. If you have additional questions or concerns, please contact me at our Honolulu office at (866) 300 -1048.

Sincerely,

Sandy Kanda, Branch Service Manager
