

7. Describe the efforts and results in determining that this is the only vendor/contractor/service provider who can provide the goods, services or construction:

Per the attached sole source letter Island Controls, Inc. is an ALC (Automated Logic) Distribution Regional Partner and solely responsible for all aspects of the ALC products and services. They were selected because vendor is the only company in the State of Hawaii that is authorized, certified, and trained to provide designing, engineering, programming, installing, start-up and warranty for maintaining the existing ALC WebCTRL system. Island Controls' staff are factory trained and will provide all the ALC software and hardware tech-tips and updates from the factory. Vendor services includes all Software and Upgrades, these are important to keep the system operational. As with all computer systems, and especially the system which controls the air conditioning systems helps reduce energy usage, these updates and upgrades along with periodic system maintenance and backup provides the Judiciary with a continuously operational system.

8. Alternate source. Describe the other possible sources for the goods, services, or construction that were investigated but did not meet the department's needs.

Automated Logic (ALC) products and services are solely represented in the State of Hawaii by Island Controls. They are responsible for all aspects of our product including design, engineering, programming, installation, start-up and warranty. This includes ALC hardware/software sales, warranty support of ALC systems and factory training.

No other vendor will meet our needs in order to be able to repair and maintain the existing ALC products that are currently installed in our automated air conditioning system or provide the necessary technical assistance or any other support in order to maintain and service the existing computerized system.

8. Identify the primary responsible staff person(s) conducting and managing this procurement. (Appropriate delegated procurement authority and completion of mandatory training required).

*Point of contact (Place asterisk after name of person to contact for additional information).

Reference: Island Controls, ALC Distribution Regional Partner

To whom this may concern,

Automated Logic (ALC) products and services are solely represented in the State of Hawaii by Island Controls. They are responsible for all aspects of our product including design, engineering, programming, installation, start-up and warranty. This includes ALC hardware/software sales, warranty support of ALC systems and factory training. Island Controls has been an authorized dealer of Automated Logic Corporation (ALC) since 1998 and continues to demonstrate its expertise through the successful completion of a wide range of challenging control projects.

ALC's reputation is predicated upon providing building automation systems which are intuitively designed, feature rich, extremely powerful, and provide many years of reliable operation. Island Controls' local expertise and resources, combined with the company's access to Island Controls' engineering resources and support, will hopefully be of substantial reassurance to you.

If you have any questions, please feel free to call me at 480-245-8528 or e-mail at chad.best@carrier.com. I hope you will give Island Controls the opportunity to serve you.

Sincerely,
