To whom this may concern,

Automated Logic (ALC) products and services are solely represented in the State of Hawaii by Island Controls. They are responsible for all aspects of our product including design, engineering, programming, installation, start-up and warranty. This includes ALC hardware/software sales, warranty support of ALC systems and factory training. Island Controls has been an authorized dealer of Automated Logic Corporation (ALC) since 1998 and continues to demonstrate its expertise through the successful completion of a wide range of challenging control projects.

ALC's reputation is predicated upon providing building automation systems which are intuitively designed, feature rich, extremely powerful, and provide many years of reliable operation. Island Controls' local expertise and resources, combined with the company's access to Island Controls' engineering resources and support, will hopefully be of substantial reassurance to you.

If you have any questions, please feel free to e-mail me at chad.best@carrier.com. I hope you will give Island Controls the opportunity to serve you.

Sincerely,

Chad Best
