SCPW-26-0000516

IN THE SUPREME COURT OF THE STATE OF HAWAIʻI

IN RE HEIDI LEWIS

ORIGINAL PROCEEDING
(CAAP-23-0000620; CASE NO. 1CCV-23-0000002)

ORDER DENYING PETITION
(By: Devens, C.J., McKenna, Eddins, and Ginoza, JJ.,
and Circuit Judge Wong, assigned by reason of vacancy)

On July 16, 2026, Petitioner filed a document titled, "Proposed Motion for Relief After Judgment and Motion to Stay Execution of Writ of Possession." On September 23, 2026, Petitioner filed another document that included a "Jurisdiction Statement" and "Opening Brief." We construe both of these documents as an application for writ of certiorari and petition for writ of mandamus.

Upon consideration of these two documents and the record, it is ordered:

1. The application for writ of certiorari is dismissed as untimely. See Hawaiʻi Revised Statutes § 602-59(c) (Supp. 2017); Hawaiʻi Rules of Appellate Procedure Rule 40.1(a)(1) (eff. 2023).

2. The petition for writ of mandamus is denied because Petitioner has not demonstrated a clear and indisputable right

to relief, nor a lack of alternatives to obtain the relief sought. See Womble Bond Dickinson (US) LLP v. Kim, 153 Hawai‘i 307, 319, 537 P.3d 1154, 1166 (2023). The denial is with prejudice as to all issues except for the request for a writ that requires the circuit court to act on the pending Hawai‘i Rules of Civil Procedure (HRCP) Rule 60(b) motion that was filed in 1CCV-23-0000002 on July 27, 2026. The request for a writ that requires the circuit court to act on the pending HRCP Rule 60(b) motion is denied without prejudice to refiling should the circuit court not act on the motion within eight months after the HRCP Rule 60(b) motion was filed on July 27, 2026.

3. The request to proceed in forma pauperis is dismissed.

4. The pending motions are denied.

DATED: Honolulu, Hawai‘i, November 23, 2026.
